# Baronial Missive

Greetings Great and Wondrous people of the Western Shores  
It is with great anticipation that We write this missive as We prepare to hear the words and ideas of the Baronial Succession candidates. By the time you receive this scroll, all of the populace shall have been enlightened to the thoughts and manifestos of the gentles that have bravely come forth to nominate for this exciting role.

It is now up to each and every one of YOU, yes We do mean YOU, to complete the polling forms and send them to Our beloved King and Queen. For without your thoughts they will not be able to truly know who will best suited to be your next Baron and Baroness. We can only tell them so much; it will be your thoughts that will influence their Decision making. So please take the time to consider who you think will best fulfil the duty of your Baron and Baroness.

If you require a polling form please contact Us directly and we can arrange this for you. Mistress Murighen will be sending bulk polling forms to their Majesties, or you may send them directly to them yourselves.

On the topic of talking to their Majesties, now would be an excellent time to send them your award recommendations. Our most noble and gracious Majesties will be visiting in the near future and it would be delight for them to be able to present some awards to all the Deserving members of the populace. If there is anyone you consider worthy of such an award, please send in a recommendation. For without them your gentle cousins shall not receive the recognition they so heartily Deserve.

Yours In Service

Baronial Succession

# From the Blackwing Herald

Greetings unto the Populace of Anzala and its surrounds from Rhianwen ni Dhiarmada, Blackwing Herald for Anzala.

Gentle cousins, my time as Herald for this great Barony is coming to an end and with this in mind I beseech those who may be interested to contact me regarding this wonderful office and let me know that you would like to take it over.

I hear you ask "What does the office entail?"

Well firstly you need to make a commitment to be at events OR to arrange for someone to go for you so as to be able to make announcements as requested by the Baron and Baroness, To run Court when requested by Their Excellencies and / or Their Majesties if they are here and have not travelled with/selected Their own Herald

You need to be available for people to consult regarding names and devices, collect the same, check for conflicts, collect moneys and forward the required documents and money to Crux Australis Herald in a timely fashion. Consult with members of Anzala regarding their choice of Name and Device, offer advice and help them achieve a registered Name and Device that they a) want and b) like.

Keep a file of submissions and their progress along the way to being accepted or rejected.

Keep the Order of Precedence up to date.

You must report on a regular basis to The Baron and Baroness of Anzala, The Seneschal of Anzala, the Populace of Anzala and to Crux Australis Herald.

You must account for any funds collected on behalf of the College of Heralds

You get to look spiffy in the Court Tabard, and you get a front row seat (well standing room) at events.

You also get to store the Baronial Heraldry Library which currently takes up about 3 library shelves in my home.

This comprises books, and files.

You get to look after the Spiffy Court Tabard and to be responsible for the upkeep of the Heralds regalia which includes the Tourny Tabards and baldrics and the Heralds Pole.

Requirements for the office.

There is only one requirement for this office. You MUST be a member of the SC&A. Oh and I believe you have to be over eighteen.

Desirable

The most desirable characteristics for this office is an ability to keep up to date with reports and such like and some knowledge of Heraldry, book and field and court.

So if you think you want to be this officer, then contact me, my details are in the Regnum.

Rhianwen
