Enquiry to Thomas Exchequer re WAMA: we are allowed to donate and/or advance a float to WAMA if we choose to.

Kilic would like to buy large sturdy plastic boxes to hold archery backdrops. Same as other ones in trailer, with aim of storing them in trailer stackably – should get some same footprint as existing trailer boxes. We need about 2-3 at about \$50 ea. Richard moved Dameon seconded approved up to \$150.

## Upcoming Events

- Toys for Tots - Tournament of St Nicholas. We haven't paid bond for site yet... Gwyneth to confirm whether we need to.
- More shoe workshops – 5 Dec, and possibly at Blacksmithing until we've had enough. Not an official SCA Event.
- Midsummer AS L by Galen, Sat 16 Jan.

## New Proposed Events

- Embroidery workshop. 9<sup>th</sup> January. Possibly at Leonie's place. Not an official SCA Event.
- Potential Highland Gathering Collie demo late 2016. It's near Bunbury. If Lucia is interested, if she would like to champion the event? But she/we may prefer Eaton. *We aren't keen on attending many down south demos every year, and assistance at one demo shouldn't imply*

*future assistance at that demo or any other – they'll be considered on their merits, one event at a time. We will send to Lucia / Bunbury to see if they would like to run it, we will consider support if so. If we go ahead, will need it to be a multifaceted demo, not just based on Armoured Combat; include A&S etc. If not, Helhounds / Blackdogs may be interested. It's the weekend after Championship.*

**B&B:** Thank you for the events so far, it has been very enjoyable. Travelling to Fields of Gold, where Clement is being knighted. Etc. Will both be back for St Nicholas.

Anealans going to Festival: need some more people with some more definite interest to set up food fund. Will look into firming it up.

### **Officer Roundtable**

**Reeve – Mery:**

Balance of accounts at November 2015 is \$17 487.85

less funds held on behalf of Vallan d'Or \$1 541.34

Net Anealan funds \$15 946.51

Paid deposits for Midsummer, AG, Championship.

Arrows for Azincourt finalised profit \$22.78. 2nd Malazgird tourney finalised profit \$17.64. Ball finalised, profit \$224.89.

Appointment of new Reeve: Applications have closed. Dorothy (Elizabeth) has applied, and her application discussed with Exchequer. Dorothy comes with an impressive resume and, although she has not played in the SCA for some years, Mery has known her for 30+ years and she is Leonie's sister.

**Herald – Lavaeolus:**

- Name submissions in progress: 6. Device submissions in progress: 7, including St Basil.
- I ran a consultation in Bunbury. Available at the College of St Basil's training. I have received several requests from other members of the populace who wish to learn and perform voice heraldry, and as a result I am maintaining a log of upcoming events and heralds to perform at them. Plans to run a tutorial evening on court heraldry.
- Writing a new heraldic ceremony for induction into the Queen's Mouse Guard.
- Voice heralds at recent events: Nikolaas Wajon, Jessica Scartaccini, Missy Kirkland, Michael Khouri. Ariel Lyons, Richard Tait, Thomas o Caerdyf, Catherine d'Arc
- Active Herald: Myself, Jacques Jenkins, Zaven Zeitountsi, Gwyneth ferch Aeddán, Nathan Blacktower, Catherine d'Arc, Columb Finn mac Diarmata
- Rachae of Dragon's Bay has stepped up as Dragon's Bay Herald.

**Constable – Lucia:**

- Canton of Dragons Bay - No report. Regular training is held. Regular archery competitions (IKAC) are held in addition to training.
- Incipient Canton of Vallon d'Or. No report - no events that I am aware of.

- I have been unable to attend two events in the last quarter which has been disappointing for me. A roving Constable has filled in on these occasions.
- The new sign in sheets are great and save a lot of double handling. It is much easier to tally up attendance accurately. Proof of membership and indemnity is less of an issue with most people accessing their membership details via mobile phone for confirmation. The issue of indemnities and memberships having differing expiry dates catches many people off guard. It would be good if there is a way for this to be fixed. The Anealan Championship weekend had the King and the Kingdom Seneschal being caught out by this and having to fill in the extra paperwork.
- As far as I am aware, there have been no incidents requiring report - certainly none from the events I have attended. We have an excellent Chirurgeon who is available at most events and reports directly to the event steward if she handles any injuries.
- A lost property auction is to be held at the Tournament of St Nicholas on 6th December.

**Marshal - Richard:**

- College Challenge was greatly enjoyed by all who went. Championship was also a great success.
- Official training for Aneala occurs on Sunday mornings at Lake Monger Primary School, every week that does not compete with a group event, and allows for armoured combat, rapier, and archery.
- Armoured Training has typically had around 6 attendees. The Honourable Lord (soon to be Sir) Clement, our new Baronial Champion has been introducing drills to training.
- No new authorisations or issues.

**List Keeper - Branwen:** Formal handover at St Nick. Offices can be done before official handover, please proceed.

Report for Archery Tournament sent.

**Captain of Archers - Kilic:**

Archery going on well, 4-6 going to Lake Monger, 6-10 at DB. Combat archery is going well, people enjoyed second tournament. Final IKAC for the year is on Sunday at DB.

Target Archery: Regular practices at Lake Monger and at Wellard on a Sunday Morning. There have been regular monthly IKAC's held on a rotating basis at either Aneala North, Dragons Bay and Abertridwr. We have in all around 10 to 13 target archers that are turning up at least once a month.

No issues. We have about 8 Target Archery Marshals, working to get one authorised in Vallon d'Or.

Combat archery: 2 recent combat archery tournaments, planning on running one such event every 2 or 3 months. My aim is to double the number of combat archers during my tenure. The only issue we have is cost of armour. Would like to see lower armour requirement for combat archery only tournaments. The only person who has any ramin combat arrow shafts is myself and I have about a dozen left.

**Rapier Marshal – Ariel:**

- Rapier has been quiet. 2-3 at Lake Monger, 4-6 at College (there have been exams). Droptester has arrived, yay; college mask order in progress.
- Need full SAM testing for everything, due this month.

- Injuries: Nil; Kit: No change; Lake Monger Training attendance: 2-5; St Basil Training attendance: 4-8; Newcomers: None; New Authorizations: 1 – Jacques now Rapier Marshal.
- St Basil's College Challenge; Rapier Round Robin Tourney won by Jacques. Also run were Hydra and Basilisk rounds. Contestants and spectators seemed to enjoy themselves.
- Anealan Rapier Championship won by Zaven. Round Robin format with single sword, offhand device and King's Beverage. King Stefan and Lady Sir Eva fought in the single-sword round robin.
- Rapier demo performed by College (3; Zaven, Pantera, Ariel) at UWA Spring Feast.

**Arts & Sciences - Catherine:**

- Catherine sent a long and interesting report. We're doing a heck of a lot of very impressive A&S in this barony.

**Chatelaine - Alessandra:**

- Can I buy new better quality vegetable peelers and 2 more green cutting boards (there was only one, that made kitchen work difficult) for the Baronial kitchen box? Boards at \$10 to \$12, may come in packs though, vegetable peelers about \$5-\$8, would like approved up to \$100. We also need new teaspoons, again, please buy about 26. Moved Thomas seconded Leonie Approved on proviso that old vegetable peelers are thrown out with prejudice first.

**Webminister – Nathan:**

**Chronicler – Maitiú:** Reported. Margarita notes that old paper copies of Vine are reported destroyed.

**Seneschal – Gwyneth:** Needs to forward B&B all the officers' reports.

**Dragon's Bay Seneschal – Imagina Bertram:**

**Vallon d'Or Seneschal – Maeve M'Cenzie:**

**St Basil Seneschal - Amberley Lievense (Amberley of St Basil):**
