Acivity

Lord Sigmund Gabrielis stepped up as the new Reeve of the Canton on 21 November 2016.

I have had a couple of training sessions with Sigmund and he is settling well into the role. I

will continue to provide training and support as required.

During Sigmund's training we discovered a couple of issues that needed to be dealt with. Firstly that no Kingdom Levies or Event Insurance had been paid to Kingdom and Corporate since mid 2014. Secondly that the paperwork for an event held in September was incomplete and/or incorrect. Both matters have now been resolved with payments made to Kingdom and Corporate and all paperwork completed and placed in Dropbox.

30th Birthday Event

12 April Was creation of the Barony as part of West Kingdom

April - May is busy

Rhianwen - preference to celebrate 30th birthday of Baronial creation rather than 35th anniversary of group forming

35th Birthday from West 12th night 1983

22nd April preferred, 29th is an option

Need to look at locations, some preference for sites we have used. Collins St - Rhianwen hates it. Maybe St Matthews

Rhianwen: Good chance to use this as a teaching and learning event, sharing knowledge with the group

Leonie: need to be inclusive of newer members of the Barony

Rhianwen - Day time group stuff and story stuff

Avalon - recent event with good mix of feast and historical stuff

Rhianwen: People have expectations for what happens at a feast, makes it difficult to have a presentation of history on at the same time as the feast.

Nathan: Suggest posting most of the history in the month leading up to the event rather than having it all at the event.

Catherine: yes, gives a chance to be able to put context into the discussion.

Tournament the following day

Ticket Price \$20 Barony to subsidise costs for running the event to meet price.

Event Approved: Leonie, Mery

Approve subsidising event all venue and equipment hire: Adamo, Elizabeth R

Team to approve final bid before council: Leonie, Elizabeth, Rhianwen, Branwen, Nathan

General Business

From last council

Baronial coronets - get the pearls reinforced. Leonie. Ongoing

Trailer - possibly some TLC - Still need to schedule a date with Isabel to check.

Adamo - chocks for the trailer due to some of the areas it is parked.

Nathan to organise date with Isable for inspection.

Kilic - Viewing Pav, possibly time to redo the roof.2.5x9M. Branwen will look into costings for replacement. Ongoing

Chairs could use some work. Leonie Ongoing

Iron Beak - Is it time to replace or refurbish or leave as is.

Possibly refurb time, probably timed with the group's 35th anniversary as a group next year.

Scabbard, possibly remove some blade weight, replace the grip.

Leonie: Keen for refurb rather than replace.
