Newsletter Updates

I continue enjoying working on The Vine on behalf of Aneala. I continue to use new pictures of recent events on the front cover.

Content and articles has slowed more in recent times but I continue to search for new and innovative content.

The series of Articles supplied by Sir Eva of Innilgard on combat from the female perspective has completed and was well received. I am still searching for a new ongoing series of articles. A&S articles are also slowing but I have an article on heraldry which will be running in December.

The Vine has been published fairly consistently on the first day or 2 of the month, but due to multiple personal (Health Problems and Family Commitments) issues in November, the issue was about 1.5 weeks late.

YiS,

Wolfgang Germanicus

Knight Marshal

Knight Marshal almost reported. Richard to make something up...

Nobody died, not even close. Things going along swimmingly.

Training numbers down for new people, lots of weak excuses.

Aneala Archery Marshal,

Archery practice has been held with average of 4 people.

Two practices were cancelled due to other events.

Rapier

No report, no apologies.

From Panterra: College going well, numbers picking up. Sunday training also picking up. Have had a minor training, also in the youth report.
Two practices were cancelled due to other events.

Arts and Sciences

Please find the attached report - not much has been going on from an A&S viewpoint this month so it's pretty much the same thing that I sent you last month by mistake :)

Listkeeper

We have one applicant - Lady Isabel de Annesley, Huzzah. Will put to commentary.

Aneala List Keeper.

Fully support Lady Isabel's application for List Keeper. She is very capable and has been my go to person to handle event list keeping when I could not be there.

List Keeper at one event. Lord Wolfgang and Lord Imar's Mongolian event at the Lair.

Result s

Winner of Combat horse Archery , - Team TH Loki and Lord Wolfgang

Winner of Horse Archery, _Lady Avalon of the Isle.

Winner of the Horse Race - Remyah

Mongolian Wrestling – honourable mention all participants were really very entertaining.

Issues

No issues to report.

Comments around the table - Chatelaine to send missives regarding the role, and the importance of people keeping a friendly eye out for visitors. Also to arrange a stand-in where not at an event

Past Events

21/9 Championship - Leonie

Despite my intention to be at Council meeting on Friday night I now find myself unable to attend and therefore send my apologies.

I had been hoping to present the final report for Championship on behalf of Mistress Leonie (who is overseas) however there were some errors in the financial report which Lokki sent us last weekend. As he is currently away for work and unable to make the corrections until his return we are still unable to finalise the event.

Kilic looking forward to running Archery workshops around once a month.

Looking forward to completing the new arrows.

Abertridwr

Seneschal of Abertridwr has posted notice of planned closing of the group. Have notified intent to continue running Pencampwr into the future.

Significant area of postcodes bordering on Aneala land are likely to be released.

Kingdom Seneschal believed the postcodes will revert back to Kingdom then revert back to Aneala. Petitions would then be able to be made for any redistribution.

Discussions have been held between Abertridwr and Dragon's Bay re merger of the two groups. Avalon has been part of these discussions as DB Seneschal. Feels that the group is open to the merger option.

Richard: Keen to see a strong group south of the river in Perth.
Discussion needs to be held between all of the relevant parties.

Elizabeth: Do we as Aneala need to be actively taking any role.

Richard: This has been made public, now through our Council, richard will make a post to populace. Is open to any suggestions to be proposed through official channels.

Storage

Lake Monger Primary School - No news from the school.

Does have some good news. Primary school board have a business plan which includes lease arrangements with community groups, it's a good sign but going through the board might be time consuming.

Has a quote for sheds, will be reviewed once we have some clarity on space.

Next Council Propose 14 December as 21st might be tough?

Same weekend as Toys for Tots but should work.

Suggestion of BBQ at Garvey park after Toys for Tots.

Approved: Council and BBQ Post Revel on the 16th following Toys for Tots.

QOTD - Elizabeth R. - Who's Burt Reynolds?
