## ORDER OF THE ELEMENTS OF VIRTUE OF ANEALA

In AS 59, Donnchadh and Bella, 11th Baron and Baroness of Aneala, did believe that those who embodied Vitues among the Populace of the Barony did deserve recognition. To this end they did create the Noble Order of the Virtues of Aneala.

The 5 Elements and Virtues are:

| | | | | |
|---|---|---|---|---|
| 1 | Water | (Aqua) | Represents Wisdom | (Sapientia) |
| 2 | Wood | (Sylva) | Represents Benevolence | (Benevolentia) |
| 3 | Fire | (Ignis) | Represents Truth | (Veritas) |
| 4 | Earth | (Terra) | Represents Support | (Auxilium) |
| 5 | Metal | (Metallicum) | Represents Respect | (Veneratio) |

The Order is symbolised by a silk banner for each of the 5 Virtues, to be displayed at events by the recipient until they are handed on the following Midsummer.
Each recipient will receive a token at the end of their year of Virtue.

Each banner bearer is further tasked to nominate 2 virtuous gentles to the Baron & Baroness before the following Midsummer.
