*Ceding of Post Codes to Abertridwr – Raised by Lachlahn in response call from Mistress Rhianwen.*

Post Codes are a dead issue

*Ceding of Post Codes to Dragons Bay – Raised by Lachlahn in response to email from Sir Peter.*

Split opinions, consensus that we should hand over the postcode with members in and continue to administer the others until members are established.

*Poll for Principality – Raised by Catalina in response to request from Sir Peter*

This was passed around for attendee's to sign if not already done so.

It was quite strongly viewed that once this has been submitted the results should be published and the poll clearly closed.

## **Appendix A: Archery Marshal's report**

A Royal Round was held at Aachenfeld training on the morning of Sunday 2<sup>nd</sup> Oct 2011. There were four archers on the line. The winner was Catherine de Arc with a score of 46. This was followed by a King's round which was also won by Catherine.

A novelty archery shoot was held on the afternoon of 9<sup>th</sup> October at the Arabian Nights event hosted by Abertridwr. There were eight archers on the line. The top scoring archers were Alianore de Essewell with a score of 41, Renonys de la Fueille with 39 points and Celestria Ashwood with 36 points.

All IKAC and Royal Round scores for recent months have now been uploaded to the tournament results pages on the Aneala website. A total of 39 archers from our region have submitted scores in the IKAC so far this season. Of these, 16 archers have submitted at least 3 scores and therefore have an average. The current standings in the regional IKAC competition for this season are as follows:

Uffa of Edder with an average of 167, Raynald Greygoose with 131 and Alianore de Essewell with 101.

The next IKAC will take place on the afternoon of Saturday 29<sup>th</sup> October at Aneala's Baronial Championship. It is proposed that the final IKAC of the season be held at Aachenfeld training on the morning of Sunday 27<sup>th</sup> Nov.

## **Appendix B: Chronicler's Report**

The October Vine has still not gone out due to personal reasons and will be combined with the November Vine instead. I have heard of only two requests to be Chronicler - one from Kerryn Ward and one from Callum Prior. With your blessing (and if there are no other takers that I haven't heard of) I would like for Kerryn to become the next Chronicler.

Lady Rosamond has sent me a report for Abertridwr which I have attached.

Submissions for the upcoming Vine close on the 23rd at 5pm.

Thanks,  
Margarita Rossetti

## Appendix C: Abertridwr Chronicler's Report

(Extracted from a very well presented PDF)

Chronicler Anne Ramsden / Rosamond de Montfort

I have been Chronicler for the Canton of Abertridwr since November, 2010.

I do not currently have a deputy Chronicler.

- All editions of The Rhol have been published on time
- No moneys are held or used by this office
- The Rhol is published as a PDF for electronic distribution via the Abertridwr website:  
[http://www.lochac.sca.org/abertridwr/Rhol\\_list.html](http://www.lochac.sca.org/abertridwr/Rhol_list.html)
- Notification of each new issue is made via the Abertridwr mailing list

I am pleased to report that regular contributions of articles, recipes, photos and reports continue to be received for the Rhol, as well as regular reports from the Officers of the Canton as the need arises.

Special thanks must be given to Lady Alianore de Essewell who regularly sends in riddles, archery and A&S reports and recipes for inclusion in the Rhol. The newsletter is made much more interesting and informative by her efforts.

In the coming year, I hope to encourage more of the populace to contribute articles on a regular basis, and also hope to be able to include more regular articles from our officers.

Rosamond de Montfor

## **Appendix D: Anealan Marshal's Report**

25th September: College Challenge (Yet to receive a report), 8 Rapier fighters and about 10 heavy fighters attended from memory, the rapier was great fun and the Armoured fighting looked like great fun too. No injuries were reported.

9th October: Arabian Nights: (Yet to receive a report), A fun day of archery and armoured combat. To my knowledge, there were no reported injuries, the archery was interesting as it was a traditional Turkish shoot rather than a typical target shoot. The heavy was also an interesting boat-themed scenario. I think about 10 archers shot, and about 9 fighters fought.

I have had no reports of anything out of the ordinary happening at training, there will be more detail on this in my next report, as I will have compiled my quarterly report.
