Ballingup Demo – Report Submitted – Lady Sorcha

Check received and submitted.

Sorcha requests reimbursement for fuel and crack in windscreen.

All went well.

Seneschal's Note - Lady Sorcha worked exceptionally hard on this demo on almost every task imaginable. My thanks to those who assisted, but also a reminder that delegation is often critical in avoiding our autocrats burning out. While a demo is invariably an event designed for group benefit, the nature of demos often means reliable assistance for delegation is harder to secure and the strain we place on our autocrats is increased. Please keep this in mind when the next call for demo volunteers is put out...early and reliable responses significantly ease the load. Thanks again.

Krae Glas Barony Invest

B&B went to KG and had a good time, impressed by scrolls done by scribes guild. Recommend going there, they are friendly and have 37 children.

Have to report Baron of Polit has "warden of the South" because of news of interest in principality in the region, (next year's festival hitty theme?).

Outstanding Business

New Business

Ceding of Post Codes to Abertridwr – Raised by Lachlahn in response call from Mistress Rhianwen.

Abertridwr is withdrawing claim on all postcodes except that which contains Ben and Kate (believed to be 6100) If this is correct then it will be contested as it contains numerous members who have declared for Aachenfeld/Aneala.

Lachlahn and Rhianwen to discuss further

Ceding of Post Codes to Dragons Bay – Raised by Lachlahn in response to email from Sir Peter.

Sir Peter has been tasked by the Seneschal of Dragons Bay with opening negotiating with the Barony of Aneala for the transfer of the postcodes surrounding Boddington from Aneala to Dragons Bay. Previously Dragons bay had discussed this with the Shire of Bosenberg but it appears on their checking the Kingdom goggle map that their original postcode claim was not endorsed. In any case the area in question being comprised of 6390, 6391, 6312 & 6308 postcodes is currently allocated to Aneala.

The specific postcode in question is 6390 and contains 1 member and 1 non-member however, in anticipation of future growth Dragons Bay are also seeking the release of 6391, 6312 and 6308.

6390	6391	6312	6308
Bannister	Boraning	Boundain	Codjatotine
Boddington	Congelin	Dumberning	Dwarda
Crossman	Culbin	Hillside	East Pingelly
Lower Hotham	Hillman River	Minigin	Gillimanning
Marradong	Narrakine	Narrogin	Hastings
Mount Cooke	Quindanning	Narrogin Valley	Pingelly
Mount Wells	Tarwonga	Nomans Lake	Pumphreys Bridge
North Bannister	Williams	Toolibin	Springs
Ranford		Yilliminning	Wandering
Upper Murray			West Pingelly
Wuraming			Codjatotine
			Dwarda

This was discussed and will be reviewed next council once people have had time to consider the request.

Lachlahn will discuss this with other local seneschals for feedback.

Poll for Principality – Raised by Catalina in response to request from Sir Peter

This was passed around for attendee's to sign if not already done so. It was quite strongly viewed that once this has been submitted the results should be published and the poll clearly closed.

Next meeting will be at CSD offices: 1,1 Natalie Way Balcatta on 21-10-11

End Meeting 8:45pm
