### **Old Business:**

Midwinter- counter tops to be done by for the pav.

### **New Business:**

Need events.

October event for Abertridwr?

College challenge september?

Future of Achenfeld. Need to run events, meetings.

Aneala run: BFA, Championship

Outsourced: feasts, ball, toys for tots, etc

Nathan: Barony- expenses? 2 events might need to profit share to ensure Barony keeps up its operating costs. Mid feasts, profit sharing.

Catharine: Getting people to come if Achenfeld event. People may not want to run Achenfeld events as seen to have no 'prestige' in it. Change perception.

Catalina tried to find out why people have not run events.

Equestrian: Donchad. Getting organized. 5 horses and 7 riders. Ready to start balingup maybe.

Maybe at pencampwr.

Hadrian: Letter from Salvation army thank you.

Next one at 18th, same bat time , same bat channel.
