Past Events:

Pencampwr: Happened.

Foundation Collegia: Very successful event. Made 75cents. 11 teachers, 18 attendees. Sean Devine donated \$18. \$50 key bond returned. Certain classes need to be capped. Security was good, easy to get in and out. Good site. Thanks to Kilic for key return, teachers and celestria.

Fabian-was awesome, more people should have come. Cash cheque given \$1700 to Fabian Airfares, half paid by aneala.

Would like 'greater return for investment' for bringing teachers over. Some input (\$) locally from people attending? Should charge at least SOME for these events, subsidize event. Greater benefit to the group to be considered.
