Officer Discussion

Baron & Baroness

Thanks for copies of peoples reports.

Midwinter was great, gave out first awards and tassels. The "Genuine Agostino and Elizabeth" tassels will all have a lapis bead.

Congratulations to the new Dragons Bay archery champion, Nathan of Dragon's Bay.

Received an invitation to Stormhold 30th anniversary, presented at Council.

Seneschal

Thanks to Nathan for minding things for 2 weeks of absence.

Thank you to all the people who submitted their reports on time, especially the new officers.

Have had 2 officers who would like to hand on early.

Mery will be advertising for Arts and Sciences office with the aim to hand over at Championship.

Lucia has stepped down as Blackwing Herald, we will be advertising for a replacement.

Reeve

Aneala opened July with \$18,057.02 and ended July with \$17,727.53 in funds.

Payments for BFA, Invest Oven Hire, and Refund to Shirley, via Ray's account have been completed in July, as well as Council approved Payment was made in Aug for the Championship cold room hire.

Q2 report is still not completed due to the Invest Event Report has yet to be finalized but very near completion. This delay has been caused by numerous errors and miscalculation done by the new Reeve (Me).

Will complete Reports soon after I return from Christmas Island on the 22nd.

Midwinter Event Report is awaiting Receipts, the Event steward has been contacted and is chasing them up, so that payments, and documentation can be made to complete that report.

Regards,
Lokki

Herald

Greetings Your Excellencies and Esteemed Seneschal,
I trust that you are all well.

After serious soul searching it has become apparent that despite my best endeavours I have been less than adequate in voice heraldry and extremely poor in book heraldry. When I took on the role I did make it quite clear that I was not experienced however hoped that I could learn along the way. The assistance I hoped for was not forthcoming. In addition there have been many aspects of my mundane life that have impeded my ability to participate for the next 6 months or so therefore I have made the difficult decision to tender my resignation as Anealan Herald.

Tomorrow evening I will be tendering my quarterly report to the Kingdom Herald along with my resignation. I will CC you a copy.

Please let me know how you would like me to handle the advertising for a replacement Herald.

Yours in service,
Lucia delli Fenice.

Some expressions of interest have been shown, office will be advertised shortly.

Newsletter Updates

I continue to have very few problems in completing The Vine on behalf of Aneala. I have worked on a new cover and will probably start to cycle through some photo's from the previous Month or to embrace big milestones from around Aneala as inspiration.

I continue to regularly publish The Vine on the 1st Day of each month except where something conflicts such as an event.

The "Knightly Virtues" section of the newsletter has finished. We are in the middle of a series of Articles supplied by Sir Eva of Innilgard on combat from the female perspective. This is due to finish in a few more issues so I am starting to look for a new series of articles I can run.

I continue to try and find members to continue articles for Rapier but unfortunately still experience little success. Heavy articles along with A&S articles continue to be strongly represented.

Some content has started to reduce overall so I need to start investigating new avenues for content. Unfortunately, my new work situation has put some constraints on the amount of free time I have available to achieve some of the aspirations I have.

YiS,

Wolfgang Germanicus

Knight Marshal

Events:

Anealan Baronial Devest and Invest Tournament – 23/06/2018 – There were two tournaments held on the Saturday afternoon of the Anealan Baronial Devest and Invest event, stewarded by Master Kilic ibn Sungur ibn al-Kazganci al-Turhani. A round robin best-of-three tournament was held for armoured combatants which went on for as long as time was able before being called to a close to allow enough time for the Rapier tournament to also be held. For the Armoured Combat tournament, The Honourable Lord Lokki Rekk emerged the victor, and for the rapier tournament Lord Zaven Zeitountsi was the victor of the tournament, which saw six contestants enter.

Training:

Official training for Aneala occurs on Sunday mornings at Lake Monger Primary School, every week that does not compete with a group event, and allows for armoured combat, rapier, and archery.

Numbers attending armoured combat training have been reduced since previous months, both in numbers of attendees and attendees in armour, due to illness and inclement weather. Numbers have varied between 2 to 6 in armour at each session, with most sessions also having some people out of armour and the occasional out-of-armour only session occurring. No injuries or any other issues (serious armour failures, serious weapon failures, loss-of-temper situations) were experienced with this group in this reporting period.

The new members have continued to attend training, albeit with the reduced frequency for reasons already mentioned, but are continuing to show enthusiasm and make progress. A couple of them have had one or two sessions in armour, and many of them have undertaken armouring projects with the encouragement and support of our local armourers. Many thanks to Sir Nathan Blacktower and Lord Richard Ferrowre for their assistance and expertise in helping the upcoming fighters.

Injury Reports

No injuries to report.

General Comments

Mistress Branwen of Werchesvorde has continued to perform the duties of Captain of Archers for Aneala admirably since her appointment. The position of Rapier Marshal was formally advertised to which we had one applicant, Baron Dameon, and it will now enter the two week commentary period before his formal appointment to the role. Rapier training activities have continued, seeing 1 to 3 people making regular appearances.

I have also tried to encourage those that get re/authorised to send an email to our Knight Marshal email address so whoever is in this role can have a better idea of what sort of numbers we are maintaining for authorised fighters and marshals from the various disciplines.

From Panterra: Rapier has also been going well with good numbers at training.

Aneala Captain of Archers Report:

Unto the Anealean Marshal does Branwen the Archery Marshal send greetings.

I took up the position at the end of April, 2018

We have cancelled 5 practices, 3 due to weather, 1 due to ill health and 1 due to an event. At other times we have held practices they have been well attended with 3-6 including children.

Her Majesty graced us with her presence when we held a novelty shoot in her honour. The targets were provided by Dede Kilic and were Tibetan triangle targets, Water bottle Targets and a moving Boar target. All had a lot of fun.

We have also held an IKAC with the winners being:
Adult Open division, Avalon of the Isle with a score of 98.
Adult Period Division, Thomas O'Caerdyf with a score of 74.

We have ordered the new archery loaner arrows as approved at a previous council.

Yours in service
Mistress Branwen of Werchesvorde
Aneala Captain of Archers.

Knight Marshal for the College of Saint Basil the Great Report:
Zaven Zeitountsi - St Basil's Marshal since April 2018

Training has continued this quarter, albeit with an especially quiet exam period as there were 2 Thursday night with no rapier. This semester we have maintained 3 new fighters, all do heavy and one has also taken to rapier. They are yet to attend a tournament or be authorised so this will be the main goal of the following semester. Lord Gotz' valuable assistance for the college is aided by his commencement as a marshal in training for heavy, and has joined us on the rapier list. He also ran a shield making workshop, while Lord Richard of St Basil has been hosting regular armouring workshops allowing our new fighters to maintain and adapt their gear to better suit their needs. There have been no incidents to report, however, lighting continues to be an issue on Oak Lawn during the winter months. I will contact campus management and see if we can have lighting during training times.

We have target archery most Sundays unless there are conflicting baronial or canton events. Numbers have been low but the our turnouts are often less in winter
We generally have from 2 to 8 participants weather permitting in target archery every week that training is run. I would like to thank Mistress Liduina and our senechal avalon for continued support as a T.A.M and as constable.

Arts and Sciences

Note - Mery plans to step down early due to life commitments. We thank her very much for the excellent work she has done in the role. Advertising will commence this weekend, with the intent of arranging hand-over at Championship.

Regular Activities

Metal Work: Armouring and Blacksmithing continues to be held on the first Saturday of the month with good attendance at Lord Richard and Sir Nathan's homes.

Music: Music practice continues on a regular basis and is often combined with Armouring and Blacksmithing days.

Open house A&S: Isabel de Annesley and Skjalddis Bragadóttir continue to host regular open house days for general A&S and a Youth A&S open house is planned for this coming weekend of 4th August by Ladies Gwyneth and Alessandra.

Dancing: Their Excellencies, the Baron and Baroness of Aneala host dancing at their home on the 1st and 3rd Wednesdays of the month.

Social Media: We have established an Aneala A&S facebook page where members can share projects and ask questions. It has been well received.

Competitions and Displays

Invest/Devest: 23-24 June 2018

An Open A&S Competition was held at our Baronial changeover, with winners at both Beginner and Intermediate levels. Lady Skjalddis won the Beginner's award with a painted plate and Lord Zaven the intermediate section with his shield.

Midwinter: 21 July 2018

The Open competition was won by Lady Isobel with a handsewn Dublin cap and we also have a Garb by popular acclaim competition which was won by Dede Kilic with his Mughal hat of Beaded Awesomeness.

Upcoming activities

Baroness's Fighter Auction – 26 August. There will be an A&S competition with a Personal Heraldry theme.

Championship – 21 September. We currently have two strong contenders for the next Anealan Baronial Champion, but it is still anyone's game!

Sub Group Reports

Canton of Dragon's Bay

Lady Skjalddis Bragadóttir (Sivaroobini Kalaimaini, 84440) has stepped up as the new Dragon's Bay A&S Officer and is hosting A&S sessions at her home. The last session was on May 19th with the next one scheduled for 4th August. Going forward Lady Skjalddis plans to host these on a monthly basis and will be tempting attendees with period recipes.

Attendees have made good progress with garb and heraldry/persona research.

Seat Covers for Dragon's Bay are planned for the September session.

College of St Basil the Great

One A&S Office is apparently not enough for Lady Skjalddis as she is also the officer for the College!

Part 2 of a cloak making workshop was run on 3rd May and they have plans for a Bodice making workshop with the assistance of Mistress Leonie de Grey.

Collegians are also working independently to make garb and armour as evident at the Pencampwr event.

Listkeeper

Dear THL Gabriella Borrromei

Does Branwen of Werchesvorde give greetings,

Please find attached the List Keepers report for Aneala for the Aug Quarterly reporting period.

There was only one Tournament held in this period where the List keeper was required. TH Lady Isobel de Annesley filed the following Report as I was Feast Steward for the event.

Richard to paste...a summary!

Yours in Service

Mistress Branwen of Werchesvorde

Aneala List Keeper.

Chatelaine

Office changeover

I have read through the information on what is expected in this role on the SCA Kingdom website.

I have dated my taking on of this role from Midwinter 21st July where I received a token of office. I had already received the loaner garb and feasting gear and publicity material the previous night at council.

Everything is successfully stored at my house and I have organised and checked through the loaner garb (and put aside a few in need of minor repairs) so that I know what is available for visitors and newcomers.

Events

I have not really had the chance to play out my role at any events yet, however, I have requested the names and contact details of all newcomers so that I can remind them of upcoming events and check that they have whatever garb or equipment that they need.

Issues

No issues to report.

Aneala Webminister's Report

Officer Updates to Baron and Baroness, Seneschal (Yay), Constable and Chatelaine.

Updated the contacts page of the website plus email forwarding. Seneschal has an imap account rather than forwarding, this has been configured for the new Seneschal.

Added calendar events for Investiture, Midwinter, Dragon's Bay Archery Championship, Baroness' Fighter Auction and Championship.

Added Dance Practice into the Regular non-SCA events section of the Calendar page.

I have acquired a copy of the code that runs the Canon Lore database. I will be investigating using the same method for ordering our Populace page as used for Canon's OP. This should be an improvement on how it currently ranks our members.

I have requested details of awards from the previous Baron and Baroness given out during their tenure. Will try to update entries with any missing details. Perhaps we need a local version of the CHAF.

No progress has been made on the history section over the past quarter.

<http://aneala.lochac.sca.org/resources/history>

Facebook cover photo updated to picture of Leonie and Dameon for a week before Investiture. Swapped to Elizabeth and Agostino from Investiture onwards.

Current To Do List

Finish the OP sorting code

Update any missing awards

Create a new FB cover image. Might need a new theme to base this on.

Create more history content.

Nathan Blacktower

DESCRIPTION

=====

Set-Up from 10am. armour Inspections & Tourney Start after Set-Up finishes.

Imar, Alpin and Myself were tasked with running a Tourney by the Khagan during his reign and in his honour. As such we want the Tourney to be reflective of the Mongolian Persona of the Crown and representative of his love of archery. The tourney will be similar to the "Malatzgird" tourneys that were being run by Baron Kilic. The nature of this will be 1 Heavy & 1 Combat archer per team. The Heavy will have to ride a horse, the horse will count as an extra life from archers. The first time he is shot, he has to drop the horse. Both horses must be dropped when heavies are within a few metres of each other. Combat continues under normal rules of engagement.

A&S Competitions: Mongol theme + Open

Pot-luck lunch: Please Bring a Plate

Mongolian Games for non-combatants, and for after tourney.

Cockburn - Manning Park in Spearwood.

Leanne - Hi there

We are looking to have a medieval theme to our community fair this year (28 October) and are looking for some realism to help us pull it off – does your group come to fairs and the like and set up an area and do combat and the like?

If so how much would you charge for a day (11am – 6pm) and what could you offer – the more varied the better as I would love to see some of the women's craft & calligraphy etc as well.

Regards

Cassandra

School Holiday Program - I have a school holiday program on the 2nd & 3rd October, 2018 from 8.00 am to 3.30pm each day for approx 150 children, the theme is Medieval (Lords, Ladies & Peasants). We are looking for a group that we can book to come and demonstrate a combat, music, dance, teach art (illumination) etc... We are also interested to know if you have any costumes, decorations, banquet ware that we can hire for the two-day event. The program is at Hepburn heights (Perth northern suburbs)
Look forward to hearing from you,

Kilic - Viewing Pav, possibly time to redo the roof.2.5x9M. Branwen will look into costings for replacement. Ongoing, Canvas being chased up. - Branwen has found another person in QLD to find out canvas information. Nathan also suggested to send Rodrigo in Stormhold an email RE canvas suppliers.

Branwen has been chasing up canvas. \$40/m unless purchased as a roll where it goes to \$35/m. Branwen to supply further details.

Richard has been researching canvas, supplied samples of 10 Oz light coloured canvas.

Loomstate is available but is untreated and unwashed.

Shrinks significant amount during processing.
