Herald

Apologies for Council tonight and a late report.

Thank you to those who helped with voice heraldry at the Championship!

No news in book heraldry this month.

I have a very good application for a successor! My second deadline having closed just now, I will seek approval and commentary shortly.

Constable

I have posted my constable position on Facebook as it is definitely time I do that. Lol! I know that Jo is keen! Yay. We shall see if anyone else applies.

Other than that I have nothing to report.

Chronicler

As mentioned at the previous council meeting I've produced a September placeholder issue and a Bumper October issue of the Vine.

I need to update some of the details of officers, meetings and Non-SCA events in the Vine which I will be doing for the November issue, which I should get out next week,

Attached is the Chroniclers Report for Dragon's Bay, With regards to the DB Chroniclers job I can state she has regularly sent me a Chroniclers report without prompting..

Knight Marshal

Fighting took place at Championship.

Fighting went well, no injuries.

A new marshal has been authorised in Dragon's Bay.

Captain of Archers

We have returned to archery with 6-10 attending each week.

We had an Archery Championship which a report has been made to the Steward.

The new Champion is Emma Holmes.

Archery equipment and loaner gear are in good condition.

I have put up an advertisement for someone to take over the position of Archery Captain for Aneala. Closing date 20 Nov 2020.

Please note, I will extend till a replacement is found but if no one steps up, Archery will not happen in the new year.

Between us, Kilic and I have done it for 6 years.

Web Minister

Webminister Report for October Council:

*As per recent Royal Sanctions, I removed 2 members from Facebook Aneala group & Populace mailing list. As these Royal Sanctions are only for the remainder of the current reign, I presume these members may both be returned to Facebook & the mailing list when the next reign begins.

*No further progress made towards adding pronouns or Youth page to the website.

*Updated the Anealan website Contact page with current contacts.

Youth Officer

We have had two events in Aneala since my last report.

The Baroness's fighter auction - some youth were present and none were reported hurt. No specific participation in the event was aimed towards youth.

Championship - youth participated on both days. The second day had 3 activities that were targeted towards youth

1) Archery - Four youth participated with no injuries reported

2) Arts and sciences - no youth participated

4) Boffer game - five youth participated with no injuries reported

- Youth Champion -> Indeo of Dragon's Bay is the new Youth Champion

- entrant to the Order of the Cygnet, martial component -> Matthew of Aneala

* I received reports of youth having a good time.

* Some adults from the Canton of Dragon's Bay supported me in marshalling the Boffer Game.

Addition: Krystal from Dragon's Bay won the Boffer Game Tournament.

My time as Youth Officer is complete. I am looking for a replacement - volunteer, you know you want to!

Chatelaine

I am pleased to report I now have in my possession, two crates of loaner garb and two feasting kits. I have been informed there also is a box of cloaks to be given to me soon, and I will be handed all our brochures and bookmarks from Mistress Branwen following the Have a Go day stall next month.

I have had one request for loaner gear for Bal d'Aneala next month and have all the necessary equipment to provide this.

Proposed events

Toys for Tots on December 5th. Please video call me via messenger to discuss during council if needed/discord not working.

Date: 5/12/2020

Set-up: 9.30, start: 10.00. Pack down by 5pm latest.

Proposed Entry Fee: \$0, +event membership plus an item for donation.

Proposed Site: Garvey Park.

In years past, the council has not charged us for the use of this site - however, their website lists not-for-profit hire at \$175 + bond (anywhere between \$250 - \$2500). If the council does choose to charge us, I would like to propose that those fees be covered by Aneala as the traditional event fee for this event is a donated item. We donated to the Foster Share Shed last year, and I would suggest we do the same this year - I will contact them to confirm what sort of items they are looking for this year and COVID procedures.

The late set up time is because a local park run group has the space booked Saturday and Sunday mornings for the month.

At this stage, food will be BYO due to COVID policies. If that changes, I would amend it to a pot-luck lunch.

I would like to run some kind of novelty tourney for heavy and rapier - I would of course be open to feedback.

I would also like to run an open A&S competition on the day.
