### Officers Reports

#### Baron & Baroness

Participated in an online group conversation with other Barons and Baronesses.

Have tokens for awards to be presented representing the Crown.

We enjoyed Bal and were able to award a Black Feather to Scott of Aneala. Format of dancing and teaching was appreciated.

We will be part of the Crown between two Roses online series. Will be live on FaceBook on the 21st.

Dragon's Bay people are keen to have some support from The Baron and Baroness and northern Peers.

#### Seneschal

We have had two banishment Kane level 1 and Roobi level 2

When we sign the indemnity we agree to the SCA code of conduct.

Social media is for SCA events, advertising of non SCA events needs to be removed. **JASON TO QUESTION KINGDOM re official announcement of policy change.**

We are having officer movements. I would like to thank the new and outgoing officers.

Officers need to contact Dragonbay officers more often to find out if they need anything.

Congratulations Pantera & Gwyneth! Gratia Coronae Recipients - Witenagemot

#### Reeve

Bank balance as of 19 November 2020 - \$23,042.67

Financial reports for Baroness's Fighter Auction and Anealan championship have been completed.

Financial report for Bal d'Aneala waiting on council approval of a refund for Caroline Ganzer, who cancelled her booking before bookings closed

Approved: Gwyneth Seconded: Agostino

Informal statement for that event is a loss of \$334.46 due to higher-than-budgeted hall cost

Note: Small loss for Bal event due to a hall booking price variance, possibly keeping better event bid records would be helpful for reviewing past bids.

## **Herald**

### **Submissions:**

1 resubmission.

Consultations:

2 submissions I need to finish and submit before handover.

Voice Heraldry:

We had events! Voice heraldry happened at Championship (thank you Elizabeth, Leonie and Columb for assistance) and Bal d'Aneala (ably heralded by Best Pickel).

Active Heralds:

Me. Elizabeth and Leonie for voice heraldry. Aife on submissions heraldry. And Branwen is about to be!

## **Constable**

Other than Aife coming into commentary, I have nothing to report and I will get in touch with my up line to let them know about the change over happening soon.

## **Chronicler**

Currently I have had two publications this year that were placeholders as work and mundane life got in the way for both myself and Their Excellencies.

## **Knight Marshal**

Have audited the loaner equipment. We are relying on not quite enough gear.

I would like to seek materials to support making more armour for the group.

We need to spend up to \$500 for loaner armour upgrades.

Approved: Helen, Seconded: Aife

Nobody died.

## **Captain of Archers**

I have advertised for a replacement to no avail. Some interest has been expressed for taking the position up in the new year. I will stay on till a replacement is found.

Practices have been well attended with 5-9 archers in constant attention.

Gear is in good condition and repair.

Aneala Championship was run in late Sept.

3 Challenges were well thought out by the outgoing Champion, Lord Wolfgang Germanicus.

1. IKAC
2. Mongolian Walking shoot
3. Poker Shoot

The overall winner on points was Emma of Aneala.

Special mentions for Eruno of Dragon's Bay and Mathew of Aneala

1. Mongolian Walking shoot ( complaint was made re angle of shooting re spectators but as the TAM was walking the line and handing arrows to competitors, safety issue was minimal.)

All Covid rules were adhered too.

Need approval to purchase 10 targets at up to \$30

Approved: Elizabeth R, Seconded: Panterra

### **Past Events**

### **Baroness Fighter Auction**

#### **Baroness's Fighter Auction 2020 Event Report**

**Event Name:** Baroness's Fighter Auction

**Steward:** Elizabeth Rowe (Nancy Valentino)

**Date:** 29<sup>th</sup> August 2020

**Time:** 10am set-up, 11am start, 4pm pack-down

**Site:** Mason's Landing Park, Cannington, WA 6107

**Cost:** Free for members (non-member fees applied as per usual policy)

## **Attendance**

Total attendance was 50 people (42 adults and 8 minors – see breakdown in table below, in lieu of formal Constable in Charge report). The CIC was Lady Ula.

Adult members 37 Adult non members 5 miner members 5 miner non members 3  
Total adults 42 miners 8

This was more than I expected based on previous Baroness's Fighter Auctions. I think that this event drew more interest because it was the first event back after the cancellation period due to Covid-19.

## **Site**

We have previously used Mason's Landing Park but I would not recommend using it again. The two main concerns are:

1. The walking distance to the toilet block is considerable and it is not on pathways but instead "cross country", which is a barrier for people with mobility difficulties of whom there are several in the group.
2. Although the park has previously overlooked/not commented on our use of ground pegs to erect pavilions, banner poles, etc. this time they specifically reminded the steward (me, Elizabeth) in person that the ground was not to be penetrated and nothing could be erected. This limited the amount of shade available as we could not use the BBT or the Viewing Pavilion and had a major negative impact on the overall look and ambience of the event.

Other than these concerns, there were no problems with the site. In order to comply with Covid-19 cleaning guidelines, we undertook pre-cleaning of the toilet block. It was in a reasonable state of cleanliness to begin with so this was not strictly necessary but we did it anyway as good practice. There was hand soap and paper towels available in the toilets despite the council informing the steward that there wouldn't be.

## **Date and Time**

It was a good time of year for the event and the weather was good. The event ran late, mainly due to the armoured combatants arriving late. The B&B were ready to begin the event shortly after the advertised start time. The auction also took longer than intended. Unfortunately, the rapier tournament in the afternoon was somewhat rushed. In future I would recommend: starting tournaments even when some combatants are not present yet, allowing more time for fighter auctions, running rapier earlier in the day since rapier fighters tend to be more punctual.

## **Tournaments/Competitions**

There was an Armoured Combat tournament of 9 combatants and a Rapier tournament of 4. THL Lokki Rekk was the winner of the Armoured Combat and Master Dameon Greybeard was the winner of the Rapier

## **Other Activities**

The auction was the main activity other than the tournaments. Baron Columb MacDiarmata ran the auction. It was very successful. \$1562 was collected from the auction and successfully donated to the intended charity: WA Emergency Services Volunteers Hardship Assistance Scheme.

## **Food and Drink**

As per Covid-19 guidelines, each family group brought their own food and drink and did not share with people outside their family groups.

## **Assistance**

THL Konrad Hildebrandt brought the Baronial trailer and provided a huge amount of assistance in organising the event.

Lady Ula was Constable in Charge.

Noble Gwyneth ferch Aeddan was Herald in Charge and Court Herald.

Mistress Leonie de Grey, THL Elizabeth Severn and Baron Columb MacDiarmata were Field Heralds.

Mistress Leonie de Grey assisted with the finances for the event and ran the financial side of the auction.

THL Lokki Rekr and Master Dameon Greybeard were the Marshals in Charge of the event and ran a team of marshals.

THL Isabel de Annesley was the Listkeeper.

THL Ilaria de Vale organised and judged the A&S competition.

Mistress Branwen of Werchesvorde and Mistress Mathilde Adycote of Mynheniot also judged the A&S competition.

Lady Frances assisted with setting up a Covid-19 cleaning kit and ensured the event space was hygienic, including leading the cleaning team who cleaned the toilet block.

Aife and Jamie helped clean the toilet block.

Baron Columb MacDiarmata ran the auction, after being asked to do so at the very last minute.

Lady Frances, Lady Ula, Lady Isolde, Lady Skjaldadis and Neville were People in Waiting and supported the Baron & Baroness throughout the event.

## Future Events

### Toys for Tots

December 5th. Date: 5/12/2020

Set-up: 9.30, start: 10.00. Pack down by 5pm latest.

Proposed Entry Fee: \$0, +event membership plus an item for donation.

Proposed Site: Garvey Park.

The late set up time is because a local park run group has the space booked Saturday and Sunday mornings for the month.

At this stage, food will be BYO due to COVID policies. If that changes, I would amend it to a pot-luck lunch.

I would like to run some kind of novelty tourney for heavy and rapier - I would of course be open to feedback.

I would also like to run an open A&S competition on the day.

### Event Proposal – “Midsummer Picnic”

**Event Name:** Midsummer Picnic

**Date:** January 9<sup>th</sup>, 2021

**Time:** 5:30pm (set-up, with activities beginning shortly afterwards) – 9pm (approx.)

**Location:** Stirling Civic Gardens, 2A Cedric Street, Stirling WA 6021

**Steward:** Baroness Elizabeth (Nancy Valentino)

**Description:**

On the same night that the long-awaited Crown tourney will be fought and the victors subsequently Crowned in the East of Lochac, the Barony of Aneala will gather together in celebration for a summer picnic in a beautiful garden.

Please bring along chairs & tables and a picnic feast (to be shared only with your family group).

You may also wish to bring electronic candles to add light and ambience in a fire-safe way.

Activities on the evening will include games such as kubb and jomswikinger, country-style dances such as Jenny Plucks Pears and Goddesses, singing, and opportunities for willing performers to entertain the populace.

There will be an open Arts & Sciences competition. There will be no tournament held, but the venue is suitable for combat for those wishing to bring armour and do pick-up fights.

Participants are reminded that if they are unwell or showing cold or flu-like symptoms, they must not attend.

**Financial:**

The reserves officer from the City of Stirling advises that for an event with minimal infrastructure and with our likely attendance numbers, no booking fee is required. Therefore, this should be run as a free event.

Cost:

Adult Member & Youth Member: \$0

Adult Non-Member: \$10 insurance fee  
Under-18 Non-Member: \$5 insurance fee

**Accessibility:**

The site has one accessible and one ambulant public toilet.

There is a brick footpath that goes around the park, which can be used to travel from the carpark to the public toilet. The proposed area for the event is on a grassy area which is not accessible by footpath but requires a short trip across the grass on a slight hill. The footpath does not provide a straightforward route to the grassy area from the carpark but it is not too far – although definitely much quicker to cross the grass.

The carpark has plenty of spaces. The site is very close to Stirling Train Station so is accessible by public transport (train & bus).

**Children:**

All of the planned activities to be run at this event are appropriate for children and teenagers to participate in – i.e. games, dancing, singing, watching performances, picnicking in family groups. For any children who need a break from the event, there is a large playground close by. There is a body of water at the site (pond/river). Children will need to be closely supervised for

**Autumn Collegia Event Anzac Weekend 2021 (proposal) 23/4 to Tues 27/4/2021**

Event Steward Mistress Branwen of Werchesvorde

**Proposed events**

1. Sunday December 13th 2020 - big combined training at Lake Monger. Must finish on time to allow people to attend neighbouring BBQ in the park. Basically just training, with more people. And we'll advertise and encourage everyone to come along.

Cost: None.

2. The 2nd Sunday of every month in 2021 (or maybe just the first 6 months of 2021 as a trial) - combined training and A&S mornings at Spearwood PS. Book site 9:00am - 1pm.

Cost: I propose that Aneala covers the \$42.00 per 4-hour session (\$10.50 per hour) to facilitate more people attending (maybe just for a 6 month trial and possibly continuing if it's a big success, or charging a small fee to cover costs thereafter).

If accepted by Aneala, we'll propose to Dragon's Bay that they cancel their usual Wandj training on that 2nd Sunday of every month. And only go ahead with this event if both Aneala & Dragon's Bay cancel their regular training to support the combined training.

Site cost to be funded by aneals for the 6 months.

Approved: Fracness, Seconded: Panterra  
Disapproved: Lokki the Miserable Prick
