Officers Reports

Baron & Baroness

Another month, yet still no events. We hope everyone is staying safe and well and enjoying all the various online activities available at the moment. This month we have enjoyed releasing our silly short film, learning about some Tudor stuff at the “Field of the Cloth of Gold” online event, having a chat on Discord with the lovely Populace of Aneala, attending dance classes via Zoom and attending training in the Discord as well.

The restrictions here in WA have lightened somewhat. However, we cannot yet get back to “doing our thing” until we get the go-ahead from Kingdom/the BoD. This month we want to remind you that the Seneschals of our SCA groups do an awful lot of work behind the scenes. Please be kind and gentle to our local Seneschals while we wait for news from on high.

Update from the Western Raids Committee, May 2020

The Western Raids Committee met to discuss the impact of Western Raids being cancelled this year (2020) and a plan moving forward. The Western Raids Committee will be proposing to the Council of Dragon’s Bay at their Sunday meeting, that they cancel the currently scheduled event for the 2021 June Long Weekend – which was established as a placeholder event to ensure the site booking anyway – and instead approve the exact same event (Western Raids) which was intended to run in 2020, with no other changes to the planned event.

Seneschal

I would like to say thanks to all the Council members for all the work being done.

Thanks to all the people who have reported.

In person events still on hold for at least the next 4 weeks.

Reeve

Bank Balance is \$24,643.19 at 30/04/2020, with no outstanding liabilities.

Monthly reconciliation of Xero is complete.

Many thanks to Lokki for his work as Reeve over the last two years, and for helping me take over the office. With no face-to-face events happening, the reeve has almost nothing to do at the moment, so I am not getting much practice with the Xero accounting program, but when we start having events again I will be asking for help with all the tricky coding.

Lokki noted in his last report that the February Council sign-in sheet was not loaded to Dropbox. If I remember correctly, Francies took it after the meeting. Does she still have it, and if so, can she get a scan to me or to Ulla so it can be added.

Note: Francies believes it has already been sent to Ulla.

Herald

To Crux Australis Principal Herald, greetings. Since my last report, the following matters of heraldic note have occurred:

A complete shortage of events has led to a complete shortage of field or court heraldry. Name and device submissions heraldry continues with enthusiasm.

Submissions:

Frances: Device

Aífe: Name and device

Consultations:

1 name and device and 1 household name and device ready to go as soon as approved by submitters and contact details confirmed

Constable

I have nothing to report this evening but I am curious what people are doing with their online sessions and the resultant sign in sheets as I haven't received any via email (but I haven't looked for them on Dropbox as of yet).

Chronicler

I've taken over the production of the Barony of Aneala's newsletter this calendar year from Lord Wolfgang.

The only issue I've had was getting access to the upload site for uploading the Vine newsletter to the Aneala site but with the help of Sir Nathan, Lady Julian Greenwood and Master Nicodemus I was able to get the issues uploaded and then get access to do the upload facility myself.

I've been building skeleton issues in advance that have the common elements for each issue such as officers details, image(s) for the cover and the page headings. This means that I just need to wait for any outcomes from the monthly council meeting that need reporting and a missive from Their Excellencies.

I've also added a new page to Vine called Spotlight On. This page is for highlighting activities in the SCA. A member of the populace provides two or three paragraphs on one specific topic. I added this page because we have recently had an influx of newcomers and I wanted to provide something that was short and easy to read that would give these newcomers an idea about one aspect of the society that they hadn't encountered or may be curious about.

I've received one report from my counterpart in the Canton of Dragons Bay and their newsletter is being produced regularly and no issues are down in the Canton.

Knight Marshal

There has been no official training or youth activities in the past month. As such, I have no injuries or deaths to report.

College has a new Knight Marshal, thanks to Zaven for taking up this office.

This office has been advertised, will be happy to provide any training required for the incoming officer if needed.

Captain of archers

No archery was held in the Barony of Aneala due to the Covid lockdown.

Rapier Captain

There has been no official rapier training or youth activities in the past month. As such, I have no injuries or deaths to report.

Arts and Sciences

Not much has changed since last month - I am sharing those virtual collegia and universities I come across online with the Anealan Facebook community and trying to encourage people to continue learning and sharing.

I have been available Saturday mornings on the Aneala Discord channel in case anyone has A&S questions I can either help with or point towards someone who can (or general gossip, honestly), however this is nothing formal.

My quarterly report has been sent upline as of the 14th. Thank you to Zaven for sending the quarterly report for St Basils early.

Past Event Discussion:

Rekkrrthing

Event Steward : Lokki Rekkrr

Event was held at both Hyde Park and Guildford Town Hall with both Crown and Baron & Baroness in attendance. Hyde Park saw a heavy tournament and games, also a small training session was held by His Majesty Nial. We had 2 injuries in the report The Tournament was won by Matthew of St Basil. The feast was held at Guildford Town Hall, song, dance, games were also present. The Feast team headed by Mistress Branwen did the most fantastic job, I wanted to thank everyone that made the event so wonderful!

Points to learn from this even....

Hyde Park is wonderful at midsummer, the Jacarandas were great!

Guildford town hall is fantastic for the price, Kitchen is large but had no stove top, extra oven hired was not really required. Hall decorations would improve things and more period lighting along with planned decorations would make it ideal.

Two issues required first aid, one person hurt his finger and someone was struggling with allergy issues in the park.

Income \$2094 Expenditure \$1566.54 Profit \$527.46
