Officers Reports

Baron & Baroness

At the time that we write this report, we still cannot have actual SCA events and we don't have much information on when we will be able to. There are lots of online events available for those who seek them, including the last sessions of Politarchopolis University and the upcoming Known World Herald & Scribal E-Symposium.

Baroness Elizabeth still intends to run the Baroness's Fighter Auction this year. We are deliberately not proposing the event this Council because we have no idea if it will be allowed to run. If good news comes before the next Council, we will propose it for August 29th. If there's no good news about events, we'll review other date options, perhaps later in the year. In the meantime, please start thinking about donations for the largesse table, entries for the A&S competition and armour maintenance for those who intend to take the field.

Some questions have been arising about the Baronial Championship. Assuming the event itself runs, we intend to proceed with running the Championship tourneys/competitions in a very similar way to how they've been run previously. One change that we would bring in for this year only, given the pandemic, is that we would be happy for our current Champions to enter their own tourneys if they feel that they have not had the full "Champion experience" this year. We are going to hold off until at least next month to decide if changes are necessary to the A&S Championship. For now, please continue working on your A&S projects and if you are vying to become the next Champion then aim to have 3 A&S entries across at least 2 categories ready by the end of September.

Western Raids Committee Update

Last month, the Western Raids Committee proposed to the Council of Dragon's Bay that they reschedule this year's Western Raids event for 2021, which required cancelling of the scheduled Pendragon Camping Weekend. The Council of Dragon's Bay accepted this proposal. At this stage there are no further updates on Western Raids. The Committee is scheduled to meet again in July.

Seneschal

To start off there is no news to when we will be restarting in-person events.

There is a Seneschals meeting Sunday hopefully there will be news then.

It's good to see people are working on different projects personally I'm a bit behind with mine.

Between now and the end of the year we have a few offices needing to hand in their offices. If anyone is looking to take on an office now is the time. We have had a person apply for the Marshal's office so the Baron will soon be only doing one role. Thank you for the hard work you have been doing.
