## **Officers Reports**

### **Baron & Baroness**

Return to training good to see, especially the armoured fighters who braved the weather. Baroness' Fighter Auction coming up, looking forward to seeing people. Funds raised will be donated to WA Emergency Services Volunteers' Hardship Assistance Scheme.

### **Seneschal**

We have started up training and there have been six people doing Armoured. Rain has prevented Archery and Rapier most weeks. Hopefully this weekend will resume those activities. Arts and Sciences, Constable and Herald are looking for Officer replacements if you think you can do the job ask the current officers and they can tell you what the job entails.

The Aneala Championship has changed due to the covid virus changing its location and becoming leaner. It will be discussed further in the meeting.

### **Reeve**

For the month of July, we started the month with \$23,480.16, and ended with \$23,342.15  
Paid \$140 for Mason's Landing for the Baroness's Fighter Auction, and received \$1.99 in interest on the bank account

## **Constable**

Unfortunately Lokki and I are traveling back from a trip up north and will be unable to attend council tonight.

The only thing I have to report is that I will be advertising my role as soon as I consolidate the drop box. Other than that, nothing to report that I know of!

## **Chronicler**

Nothing to report except the Vine went out on time last month

## **Knight Marshal**

No Events

## **Training:**

In-person training had been cancelled for the majority of this quarter due to the aforementioned safety measures put in place.

Online discussions on the topics of training (fight video reviews etc.) occurring on Sunday mornings in Discord were still taking place, but with a reduced frequency.

Once the SCA had provided a COVID-19 response guideline and the framework for how events could recommence, our baronial Seneschal got in touch with Lake Monger Primary school to

find out when our regularly scheduled training could recommence. Once we got permission from the school confirming we could resume using their facilities we were able to resume our regular training, while practicing proper hygiene and social distancing measures in accordance to the SCA's COVID-19 response document and local WA guidelines regarding contact sports.

Since training has resumed, we've seen armoured combat training take place for the past 3 weeks, with approximately 6 in armour for each training session. The poor weather we've had over the past few weekends has unfortunately kept the archery and rapier folks away.

### **General Comments**

On May 2<sup>nd</sup>, the College passed the office of Knight Marshal on to Lord Zaven Zeitountsi during their AGM

As of July 17<sup>th</sup>, the office of Knight Marshal for Aneala has passed on to THL Lokki Rekk. Thank you very much for volunteering your services for this role, I have every confidence in your abilities for it!

### **Captain of Archers**

Aneala Archery Captain, nothing to report.

### **Rapier Captain**

There has been no official rapier training or youth activities in the past month. As such, I have no injuries or deaths to report.

### **Arts and Sciences**

A&S continues to be fairly quiet, with people continuing to work on personal projects.

I have advertised for a replacement as my warrant expires next month.

An A&S competition is being held next weekend at the BFA and I would encourage people to enter.

### **Listkeeper**

There have been no events requiring the services of a list keeper during the last quarter.

Dragons Bay reported that they also had no events requiring a list-keeper during this time.

I have been trying to contact the Lochac list keeper to request some updates to the Lochac lists website to no avail. If anyone can please offer some advice about how to get this done I would appreciate it very much. The changes I have requested are as follows:

Group Champions for Barony of Aneala:

Heavy: Konrad Hildebrandt

Rapier: Zaven Zeitountsi

Archery: Wolfgang Germanicus

Arts and Sciences: Branwen of Werchesvorde

Group Listkeepers:

For Barony of Aneala – Isabel de Annesley

For Canton of Dragon's Bay - Sláine inghean Ui Ruádhain

### **Web Minister**

Webminister report for August council:

Covid-19 information updated on Aneala website.

Query received from Blackwing Herald mid August regarding adding

preferred titles & pronouns to Aneala's "People" webpage. Discussing options with Gwyneth.

No further progress made towards a Youth/Family page yet.

</Web Minister>

### **Youth Officer**

So far as has been reported to me, no youth have been harmed in the last reporting cycle within Aneala. Nor has any specific activity been scheduled for youth.

I have not received any reports from my downline.

My time as Youth Officer is up and I am looking for fresh blood. If you have fresh blood, you could be the new Youth Officer.

### **Canton of Dragon's Bay**

Dragons Bay would like to thank all for positive and supportive messages on our Facebook lately.

We have an IKAC this Sunday, followed by a BYO picnic, all are welcome.

The Highland Gathering soon, any Heavy or Rapier please contact Gummi the steward.

Dragons Bay has Acting Knight Marshall, just waiting for a closing date to be announced. Herald is in commentary

### **Chatelaine**

New chatelaine Zaven.

Since taking up this office, my main objective has been locating and taking stock of the regalia and loaner equipment that was in the possession of the previous chatelaine. Our first non training event since covid restrictions is BFA next weekend, and I have seen some chatter through social media from new members requesting loaner garb. While I am unable to attend the event, I shall ensure these prospective members have access to all the gear they require to have the best experience possible.

Unfortunately I can attend council tonight, but I shall be there for September.

Please let me know if there is any way I can further assist Barony.
