Officers Reports

Baron & Baroness

We had an amazing time at Baroness Fighter Auction. Thanks to everybody making the event fantastic. A Black Feather was awarded to Aife.

Championship is coming up, we'd like to encourage everybody to attend and those who are able we would encourage you to participate where you can. If you are entering a marahl field, please send the Baron and Baroness a letter of intent.

Seneschal

Arts and Sciences has an applicant up for comment, Constable and Herald are looking for Officer replacements if you think you can do the job ask the current officers and they can tell you what the job entails.

The Aneala Championship has changed due to the covid virus changing its location and becoming leaner. It will be discussed further in the meeting.

Bookings have been very slow with only 14 people booked up to now so some reminders/encouragement/persuasion (or any other appropriate measures that occur to you) might be necessary.

It was good to see so many people at training last week. We had 19 at archery 14 on the line and a fair few Armoured 11 in armour and rapier.

Dragon's Bay Seneschal

As a group we are keen to support Championship, can updates please be sent to DB as well.

If there are any Dragon's Bay reports not getting through to their upline please let the DB Seneschal know so she can assist any officers struggling to complete reports.

This Wednesday is the Commet Bay College Demo, thanks to everyone from Aneala who has offered to help. Further details will be sent out after the DB Council.

Chronicler

Due to work commitments I wasn't able to produce a September Vine.

For October I will wait until after the championship to produce that month's issue so I can include an update on the Champions of Aneala. I will also produce a placeholder issue for September.

Knight Marshal

Hello, August we have held official training as normal every weekend, I have no injuries or incidents to report. BFA was held and we saw 2 Heavy fighters Re-authorise, including Heavy fighting tournament with 9 combatants and a Rapier tournament with 4 comatants. This past week we have had a new authorisation happen, Aífe.

Captain of Archers

Archery has restarted successfully, well attended most weeks.

Rapier Captain

Arts and Sciences

This month has seen the return of A&S competitions with the first post-shutdown competition run at the Baroness' Fighter Auction. There were 5 entries with 2 scoring 40 points. Congratulations to all entries!

The next A&S competition will be judged on the Sunday of Championship - I'm looking forward to seeing all the entries! A quick reminder that due to COVID, only 2 entries over the past 12 months are required to enter into the Arts & Sciences Championship.

This is likely to be my last report before handing over to our new officer (Maria Sanchez/SCA Frances Ray). Although her commentary period doesn't end until Monday, I feel confident that she will be more than capable of filling the role and further facilitating the arts and sciences within our Barony. All going well, I am hoping to formally hand the role over during the Championship.

Thanks to the Dragon's Bay officer for reporting.

Listkeeper

There was an event! Baroness's Fighter Auction on 29 August 2020 at Mason's Landing Park. Armoured combat: Nine combatants fought in a round robin single kill format. The Victor was Lokki Rekk.

Rapier: Four combatants fought in a round robin single kill format. The Victor Was Dameon Greybeard.

- *Dragon's Bay downline continues to report regularly. This week Gummi advertised for a deputy with the aim of them becoming the new Dragon's Bay webminister when Gummi's term is up in May.

Youth Officer

Chatelaine

Report for this month is that I am on the quest to locate/obtain the necessary regalia and loaner gear for the chatelaine role. If there are any new members that require loaner gear for championship, I will ensure delivery of the necessary kit whether it is from the barony's of the

College's stores. At championship I shall speak with each of the new members and find out how best I can enrich their sca experience.
