

# Aneala October 2021 Council Minutes

**Attendance:** Elizabeth R, Agostino, Konrad, Aife, Lokki, Isolde, Frances, Bella, Romana, Leonie, Elizabeth S

**Apologies:** Nathan, Gummi, Dameon

**Last Minutes:** September

<https://aneala.lochac.sca.org/assets/council/council-2021-09.pdf>

Approved: Elizabeth S

Seconded: Leonie

## Officers Reports

### Baron & Baroness

B&B Report for Council:

Championship happened! Thank you to our previous Champions. Now we have new Champions! And a new Bard!

Sword: Zaven Zeitountsi

Rapier: Dameon Greybeard

Bow: Konrad Hildebrandt

A&S: Gummi Vkoinen

Bard: Frances Affrica Ray

Congratulations everyone. Thanks to the stewards & team for a great event.

## Seneschal

Have people checked out Regnumator

Thank you to Sir Nathan and his crew for running Championship. It was a brilliant event..

Dragonbay has a new Seneschal Sir Peter.

## Reeve:

Opening Bank Balance \$19923.48

Incoming funds for Quarter \$5427.50

Outgoing funds for Quarter \$755.25

Closing Bank Balance \$24,595.73

Profit or Loss for Quarter \$4672.25 profit

Kingdom Levies collected for Quarter \$179

Adult NM insurance for Quarter \$220 (22)

Child NM insurance for Quarter \$20 (4)

Events held during Quarter: Baroness's Fighter Auction, Bal d'Aneala, Anealan Championship

Events not finalised and what is outstanding: Anealan Championship was run on the last weekend of September. Most invoices not paid by the end of the quarter

Xero is fully reconciled

All tax invoices/receipts are attached to all expenses in Xero

All meeting minutes for the year to date in Dropbox? August and September in draft only

All sign in sheets are in Dropbox

All Event reports are in Dropbox except Anealan Championship

### *Summary of the Quarter*

Aneala held three events this quarter. The Baroness's Fighter Auction raises money for charity, and there is no charge for members to attend the event. This year, donations were made directly to the charity by each donor, so individuals could get the benefit of making a tax-deductible donation. The Bal d'Aneala was a small event which made a small profit. The largest event was the Anealan Championship, which was held on the last weekend in September. This event generated a large income for the quarter, but most of the expenses of the event were not paid out until October, so although the event made a profit, there will be a large apparent loss in the final quarter for the year.

### **Herald**

#### **Aneala Blackwing Heralds report**

Event held was Championship.

Lots of Court and Field Heralding, as per usual for Championship. Mistress Leonie did the Court and Field Heraldry for The Rapier Championship, thank you very much.

Lord Dino was elevated to Captain in the Hearth Troop.

Lord Dino has also submitted his device and is undergoing review.

The College of St Basil has reported.

There was a workshop on names and devices, it was well attended and we should see some submissions.

### **Constable**

Aneala Championship 24-27 September

52 members and 5 minors attended

6 non-members and 2 minors attended

No incidents or injuries

Lost property: Woolies shopping bags left in the kitchen - contact the Constable if they are yours.

Combined Training 10 October

31 members attended

No incidents or injuries

Monthly report received from downline.

Collegio is this weekend. If anyone would like to help with constable duties on either day, please let the Constable know.

### **Chronicler**

The Vine has been published, uploaded and advertised. It was a little late due to continuing work pressures.

### **Knight Marshal**

Howdy, Missed combined training. We did have a tournament. Lord Zaven won. No weapons failures, two weapons bounced. Two experienced marshals, need some new marshals to join in. No issues safety-wise. Training continues as usual.

### **Rapier Captain**

*Reporting Period:- Sep 21 to Oct 21*

*Group Data*

Active fencers in the group 9+

Authorisations during this period none

*Administration Matters*

No injuries in this period.

One equipment failure in this period.  
repairable.

1 Rapier Blade broken at tang - Non

*Notes*

The loss of the above rapier blade reduces the Barony to two usable rapiers, both of which have blades that are at least 15 years old.

Clare has recently sourced 3 Hanwei Blades from Medieval Fight Club for \$457.00 (includes shipping). As any other source would probably be an overseas purchase with considerably higher shipping costs, I recommend that she be authorised to proceed with their purchase as a matter of urgency.

Additionally, it has been noted that the Baronial Rapier Kit is lacking in its ability to equip combatants, particularly those of a smaller stature. In order to address this problem it is recommended that we acquire the following items -

5 pairs of Gloves (3 small + 2 large), and 3 Fencing Masks, with removable lining (2 small + 1 Medium).

Gloves, \$14.10 per pair for a total of \$70.50

Masks, with removable lining, \$120 each, + estimated shipping cost of \$39.50 = \$399.50

The total for all purchases (Blades, Gloves and Masks) will be approximately \$927.00 Rounded to \$1,000 to allow for shipping costs.

Approved: Elizabeth R

Seconded: Isolde

**Captain of Archers**

No report

**List Keeper**

Baronial Championship was held in September with a number of lists being contested.

Heavy Tournament:

3 rounds – each a round robin single kill format

There were 5 combatants and the winner was Lord Zaven Zeitountsi who won all three rounds without losing a bout.

Rapier Tournament:

6 rounds – each a round robin single kill format

There were 6 combatants and the winner was Master Dameon Greybeard who won 4 rounds

Archery Competition:

3 shoots – a William Tell shoot, an IKAC and an Animal Hunt shoot

There were 4 archers and the winner was TH Lord Konrad Hildebrandt who won 2 shoots.

Children's Boffer Tournament:

The format was round robin, best of 3 bouts.

There were 3 combatants and the winner was Andrew.

Thank you to Baroness Elizabeth for keeping the list for the Children's Boffer

Tournament and to TH Lady Isabel de Annersley for assisting with the list keeping at the Archery.

### **A&S**

Report received from St Basils, they have held leatherworking and heraldry workshops.

One A&S entry from the college at each event recently.

Since previous Championship 3 members have entered 3 entries, Pantera, Skjaldaddis and Gummi. Overall winner was Gummi. Gummi was also the winner at the event.

### **Acting Web Minister**

The minutes for Council are now fully up to date. The minutes used were those published to the Aneala email list, so any corrections from the following council have not been captured.

Event details for combined training have been added to the calendar.

Note - Leonie puts the pdfs in dropbox so they can be uploaded straight from there

With Aneala hosting a Crown Tournament in only 2 weeks, we need to start putting together a website with all the information. I'm happy to help with this and I expect I'll have more time available than I used to.

### **Youth Officer**

No youth were maimed since the last report.

### **Chatelaine**

Not much to add for the past month. Championship was a success with Lokki being our Barony's MVP and once again bringing friends to their first event. I provided some garb to the Holthouse family who were our other new members for the event. I have been approached by another new member named Walter in the past few weeks who I have referred to Dragon's Bay as well and has attended training.

My plan for the Collegio is to start the discussion about members of the populace putting their names down in a contact list for their chosen skills and periods.

PS - could you check if the clan blue feather contact on the website has been added? I saw Nathan working on it during August council but I don't see the final result on the website.

Hope to see you at Collegio.

### **Calendar**

#### **Regular Events**

#### **Past Events**

##### **Championship**

It was a success. Thank you everyone for all your help. We made money for the barony, yay! See five page event report submitted for more information.

## **Future Events**

### **Collegio**

Tomorrow, good luck.

### **Proposed events**

#### **Toys for Tots 2021**

Steward: Elizabeth Rowe and co-steward Magdalena Voronova

Date: Sunday 5th December 2021

Location: hopefully Garvey Park because they usually give us the site for free for charity events - can we approve the event subject to this or another free park being available please?

Cost: Nothing but all attendees must donate a toy for charity. (Non-member fees apply.)

Charity: Variety or the Foster Care Shed, TBA

Approved: Leonie

Seconded: Lokki

### **March Crown**

Time for an equipment refurbish.

Equipment to be reviewed at championship ready for a workshop to be hosted by Branwen.

List tree and thrones will need work.

Things look shabby and need to be updated, tabards, marshal poles etc.

### **Western Raids 2022**

Lokki has ideas. Elizabeth R has ideas.

Silk Road theme, potluck dinner with each encampment bringing a dish to feed the group and run it like a market with stalls. Delegate dishes so we don't end up with everyone making chicken lombards.

Feedback from this year, make the markets and dinner earlier due to issues with lack of light.

All events/classes etc that want to be included need to be advertised early. No last minute additions to the schedule.

Possibly bring people from Eastern States if the borders allow. A terrifying of Peers, also known as a hoot of Peers.

### **Monthly Hills A&S day**

Darlington Hall

\$9,50 per hour hire fee

\$8.50 booking fee for up to 10 sessions

\$110 bond

Proposed for 4th Sat of the month 10 - 1 pm

Barony to pay for the next 6 months, October, November, (skip Dec due to Xmas)

January, February, March, and April as good for recruitment in the area and promotes A&S.

Garb encouraged, but optional

Approved: Leonie

Seconded: Lokki

### **Midsummer**

Bella and Branwen have plans - stay tuned!

### **General Business**

#### **Combined Training @ Spearwood Primary**

Proposed marketplace for the next combined training.

Discussion: Do we invite LARP and if so, do we make them pay the non-member fee or does the Barony pay for them? Could post on the WA medieval group and advertise \$10 entry fee?

Decided: run it ourselves first and see how many people have stalls and if it is worth inviting others/making them pay

1 Hall Hire October 2021 \$ 42.00

Approved: Elizabeth R

Seconded: Agostino

### **Ongoing**

Progress has been slow for designing a large banner for Demos.

Edith has made progress on canvas for the viewing pav. Has canvas sorted.

The Populace viewing Pav roof construction has been completed. Three 3x2m sections and waterproofed. The old roof has been recycled to make the back walls with seams resewn and eyelets added. Receipts will be given to the Reeve for payment. (\$150 was previously approved).

### **New General Business**

It will be getting critical very soon that we find a location for the Baronial Container.

We may need to consider options like temporary storage with somebody that has vacant space on their land, even if it means a longer drive to get equipment for events.

Suggested someone asks Isabel if it can be stored at her property.

Meeting closed at 8:47pm

Next Council will be 19/11/2021 at Hale School.

YiS,

Konrad Hilderbrandt
