Officers Reports

Baron & Baroness

For those who do not yet know, Spring Crown has been cancelled. There is a combined Crown/Coronation planned for November in Ynys Fawr.

Combined training ran this month and featured two workshops, one of which had no teacher and the other had no participants. Next month's combined training will feature a workshop on ink & fountain pens by Baron Steveg.

Baroness Elizabeth would like to thank everyone for attending her Fighter Auction. We collectively donated some money to a good cause and it seemed like a pretty good day from our point of view.

Seneschal

Officers unable to continue in their roles should not feel pressure to keep maintaining the duties under pressure. People need to feel OK to pass the office when their circumstance requires it.

Group Data

Active fencers in the group 9+ Authorisations during this period 1 Renewal

Events

Baronesses Fighter Auction Tourney - There were 7 Fencers in the list, the Marshal in Charge was Master Dameon Greybeard and the Field Marshal was Lord Sigmund Gabrielis. Lists were kept by Lady Elizabeth Severn and the tourney was Heralded by Sir Nathan Blacktower and Lady Frances Affrica Ray.

Administration Matter

No injuries in this period. No equipment failures in this period.

Captain of Archers

Finally got to practice archery at Lake Monger – not even the locked gates would deter us.

Unfortunately, then rain reappeared and washed out the next week. Spearwood (with intermittent rain) planned to be a blunts workshop but no one attended so became a good opportunity to catch up with colleagues.

No archery occurred last Sunday to avoid clashing with the Fighter Auction. Looking forward to finally getting the bow out next Sunday.

List Keeper

There has been one event requiring list keeping since my last report. The Baroness's Fighter Auction was held on the 15th August 2021 with a rapier tournament being contested. The tournament format was round robin, best of three bouts. There were 7 combatants and the winner was Pantera Pantero di Valembrasa.

A report with all the required paperwork for the event has been submitted to the Event Steward, the Marshals and the Lochac Lists Officer.

Chatelaine

This month's update is that we have a new chatelaine for Dragon's Bay in Magdalena Voronova who has been brainstorming some exciting ideas with me. The first is having an official Blue Feather representative for new members to be able to contact, which Skjaldaddis has agreed to be. The second is a list of local crafters who would be willing to have to be contacted by newcomers who express their particular interest to the chatelaine. This would be a voluntary register and accommodate a variety of interests and methods of contacting.

If I may add this as business to council, I would like to see how people feel about being on a list of A&S specialties

Will be awesome!

Proposed events

- On the 9th April 2022 Clan Cynefin Realm will be holding its first medieval fair on the Eaton foreshore in the Bunbury area. We are a newly formed group with the express purpose of holding medieval events similar to the (now defunct) Perth Medieval Fayre. I would like to invite
- Aneala to attend this event, I have emailed Dragon's Bay separately. If you agree to join us please advise what space you require for your display and Eric, if there are any fees please also notify us of those.

Demo

The Bowmen of Melville will be running their annual Sticke and String event this year

on Sunday the 5th September. Bowmen of Melville are opening up the event to the community to come and be able to view the shoot and promote archery. We would like to extend an invitation for your club to be involved on the day. You will be

provided with a space at no cost to set up a stand to promote your club and we would like to offer your members a discounted rate to participate in the shoot on the

day of \$5pp (normal fee \$15 and this discount is only for your members)

We have allocated 3 trestle tables for the SCA A&S to use and we have plenty of chairs, but they have low seat so the less mobile might want to bring their own. The area where the tables will be setup is under cover.

This is NOT an SCA Event.
