Officers Reports

Baron & Baroness

Not much to share. We heard Toys for Tots went well, thank you to all who went.

Thank you to everyone who went to Pride. Guildford went well and it was good to show of A&S side. New people came to Darlington.

We are now focussing on Crown. Starting in January we will be getting projects ready for Crown. We will have home open every Sunday leading up to Crown.

Looking back over the year we have had a good range of events and demos. Thank you to everyone who has come out from the bronx, canton and college.

Merry Christmas, Happy Holidays and hope everyone has a good break. See you in January.

Seneschal

Officers - New Constable has been approved. Thanks Aife for your term, and congratulations to Victoria for being our next officer and thank you to Edith for also applying.

Lake Monger Primary School hire:

Process has been revised. We still pay \$11 per visit, now being invoiced at the start of each term. Term 4 payment will include up until February.

Recruiting - some discussion has been happening online about recruiting through social media. It's time to advertise again for a new webminster, getting somebody who is keen to focus on social media would be great.

Reeve

Opening Bank Balance 1 November 2022 - \$23,966.03

Closing Bank Balance 30 November 2022 - \$21,789.12

The bank balance fell during the month with the payments of Kingdom Levy, Event Insurance and GST as reported at November Council. Other major expenditure was the hall hire for the proposed Bal d'Argent event along with the usual expenses of container storage and hall hire for Darlington A&S.

Income for the month consisted of some payments for March Crown and combined training fees.

Although there were several events held during the month they were all demos (Guildford Fair and Pride) or charity events (Toys for Tots) so no income was derived from these.

Herald

Events:

Court was not able to be held at Toys for Tots as the B&B were unable to attend. General event announcements were made instead.

Heraldry Submissions:

Suleiman ibn Turgut ibn Arslan (Robert Black) approved as a new name change from Peter du Gant Noir.

Consulting Herald was Gummi.

Congratulations to them both!

No new heraldry submissions were made this month, some devices in the works.

Still on the lookout for a new College Herald, have had no one interested so far.

Constable

Toys for Tots - 27 November

30 member and 2 minors

No non-memebers

No incidents of injuries

Pride Parade - 26 November

7 members attended

No non-members

We have a new Constable, congratulations to Lady Victoria. Thank you to Dame Edith for applying.

Knight Marshal

We had two training sessions. We have had 3-5 heavy, 3 rapier at recent trainings. I dont have a report for Toys for Tots yet.

Rapier Captain

No rapier until all armour has been rechecked in the new year due to some rule changes.

From the 8th January there will be armour checks to test everyone has the correct armour under the new rules. The baronial kit currently doesn't pass under the rules. Will put together a guide on what areas need to be covered/

Captain of Archers

This is the final report for 2022 and a wonderful end to the year it was.

Overall attendance has been quiet in the weekly shoots with events like Guildford Medieval fayre interposing practice time but the Toys for Tots event, held at Lake Monger Primary, more than made up for it, and a fun time was had by all. A big thank you to all that organised and supported the event. A lot of donations were collected

We have now received the new right-handed bow and that has already been tried out by members. Just awaiting the left-handed bow and the loaner stock will have been replenished.

Wishing you all a very Merry Christmas and a prosperous New Year.

Training should recommence on the 8th January.

No injuries.

List Keeper

All quiet on the Western front – a conspicuous lack of activity, in fact, in the fortnight or so since I assumed the mantle of listkeeper. Season's Greetings to all!

A&S

November:

4-Person 2-Person Archery Tournament – while there was supposed to have been an Arts & Sciences competition, there was only one entrant (it was quite a small event) and he later withdrew his entry, to be re-entered at another competition with more entrants.

Scribes by Mistress Leonie & Dame Edith (weekly)

Dancing by Baroness Elizabeth & Noble Gwyneth (ad hoc)

College A&S sessions at UWA on Thursday nights (weekly)

Sporadic Cooks Guild, Music and Blacksmithing days

Second Sunday of the month: A&S sessions during combined Aneala and Dragons Bay training at Spearwood Primary

Fourth Saturday of the month: A&S sessions at Darlington Hall in the Hills

January:

Midsummer? [Bard d'Aneala competition]

March:

Crown Tournament 2023 AS LVII with a potential Laurel Prize Tourney

I am hoping to run a Laurel Prize Tourney at March Crown, since so many interstate visitors will be here and I think it will be a good chance for our local artisans to receive valuable feedback. The event seneschal has given me the go-ahead and I have emailed Tailltiu to invite the Laurels.

I have not received reports from Dragons Bay or the College. The College had been holding weekly A&S sessions on Thursdays but they will likely take a break over the holiday.

Chatelaine

Have had some emails and have replied, but no response from them yet.

Have emailed the Kingdom Hospitalier and have ideas of places to put up posters.
