Officers Reports

Baron & Baroness

Two events were held last month.

May Day Picnic. Thank you Lady Aife and all the officers who helped to make it happen and also to Jonathan for bringing the maypole. It was great to see everyone have fun and do something different.

Golden Thimble. It was great to see this event happen again, thank you Dame Edith for making this happen. Feedback was the venue worked really well for this kind of event. Boom boom to the college for having two teams and winning. Good to see all the hard work coming from the college. Good to see people take part as individuals as well.

Huzzah to King Alain and Queen Safiya who were crowned recently. They will be attending Western Raids.

Mordenvale rebuild/restock project. Duchess Engelin has organized a list of what is needed, a lot has been claimed already. The baroness will distribute the list for anyone who would like to help out. Archenfeld is the same colours, can we give them the old Archenfeld stuff?

Mordenvale still needs:

Event signage (SCA this way arrows) - 2-4

List field pole/star picket covers (bunting style) - 12

List field star pickets or posts/corners - 12

Tablecloths (2mx1m) - 20

Aprons - 6-12

Marshal poles - 2-4

Shade pavilion 1 & 2 - 1 each

Sledge hammer/mallet - 1-2

Banner poles - 6

Portable holes - 6

- There is a tub in the container that includes list ropes. The Baroness will reach out to see if they want these or anything else.

Everyone make award recommendations!!

Quarterly Heraldry report for May was submitted on time.

Registered Name and devices this month.

Congratulations Alde of Maghas / Scott Shaw on registration of your SCA name!

Eoin Dorcha / Ian Howell for last month's registration of the device "Sable, a cross Or and in canton five mullets of eight points in saltire argent."!

Event reports

I was unable to attend the May Day tournament, but Noble Gwyneth, Sir Nathan and Noble Alde stepped in and worked together to fulfil the Herald Duties. Many thanks to those individuals.

May Day tournament,

Noble Gwyneth reported. 'I ran opening court. Business was: hand over seneschal from Konrad to Nathan. A missive from Jochen about Western Raids. Field heraldry by Alde of Maghas (Scott of St Basil) who was new to field heralding and did brilliantly. Closing court by Nathan.'

Golden Thimble

Heraldry was minimal for this event with an Opening and closing Court. No Awards were given but the winners of the Golden thimble were announced. Team Honey, I can't believe it is not butter one the team event and TH lady Ilaria won the Individual Competition.

Heralds for the upcoming Western Raids event are in hand.

35 members and 7 minors attended

5 non-members

No accidents or injuries

Lost property: rune necklace, baby dummy

Golden Thimble/Combined Training - 7/8 May

30 members and 4 minors attended

4 non-members

No accidents or injuries

Downline has contacted me to say the report will be late this month

Constable volunteers are needed for Western Raids as I will be unable to attend.

Milos / Jamie has volunteered to be Constable in Charge, I will make sure he is trained, however as this will be his first event he will need support from constables at large, especially during the main arrival/sign in times. I will get a constable roster set up so people can volunteer for shifts.

- Elizabeth S is happy to assist Milos

Knight Marshal

Apologies for not making training lately due to work and having a new child.

Reports have been received from downlines.

May Day event, one new re-authorization, Sir Snorri. No injuries to report. One armour failure, helmet padding.

Tenure as group marshal is approaching an end, will be advertising for a replacement in coming days.

Rapier Captain

No deaths, no injuries. Numbers are still down.

Captain of Archers

No report

List Keeper

The May Day Picnic event held on 1st May included a Heavy Tournament. It was run as a round robin with 9 combatants, although 1 withdrew after the second round. The winner was

Sir Nathan Blacktower. My thanks to Noble Gwyneth ferch Aeddán for running the list on the day as I was unable to attend that part of the event.

My quarterly report to Kingdom was submitted on time but there was nothing to report.

A&S

Successful Golden Thimble event. Looking ahead to Western Raids. Lots of classes are booked.

There has only been one entry since last Championship. Hoping to encourage people to enter more things so we have enough to select a new Champion.

- In the past Golden Thimble team entries have been counted for individuals if they did one piece themselves.

Acting Web Minister

Nothing to report

Chatelaine

Big pat on the back for everyone, word of mouth recruitment has been great. People have brought colleagues, family members and friends to events and training.

Tenure is coming up and I will advertise soon.

Chronicler

I produced a Vine! Put some pretty things in.

Have plans to add some new things to the vine. Thanks to Edith for her article.

Past Events

May Day Picnic

Steward: Aife

The full event report is in dropbox along with reports from reeve, list keeper and constable, still waiting for marshal report.

A profit of \$145.20 was made.

The weather was perfect, the event ran smoothly and many people helped with set up and pack down. Despite a few officers and members of the stewarding team cancelling with little notice, replacements were found and the activities went ahead. Huge thanks to those who stepped in at the last minute and took on new roles for the first time.

The tournament was well attended with nine fighters taking part. It was won by Sir Nathan Blacktower.

Heralding and marshalling were shared between several members of the populace so all could take part in their activities.

The maypole dancing was a success, especially with the children. Hopefully, we can run this again next year.

Unfortunately, we didn't have time for music/bardic performances although some members of the populace were playing in their pavilions during the event.

Golden Thimble

Steward: Edith

The Bi Annual Arts and Sciences Competition The Golden Thimble was run on May 7-8 2022 at Spearwood Primary School.

We started off with 4 teams and no Individuals and ended up with 2 College of St Basil teams and 2 Individuals.

The winner of the Team entries was the "Honey, I can't believe it is not butter" and the runner's up were the "Butter" team! Yeah. For the College it was truly a win/win situation! Both teams had 4 people who created 4 main and 1 Accessory item for their team. The teams produced a range of outfits for team members, the work was great, the learning was intense and there were many pin injuries. Items made were Blue linen doublet with black wool cloak. Green and blue cotehardie, red t tunic, and wool flat cap. Red kirtle with blue velvet doublet. Blue bliaut lined in velvet, wool cloak, and veil. And silk (?) doublet.

The Individual team who won, was TH Lady Ilaria with her clothing and accessory for her 5 yr old daughter Olivia. Olivia helped sew a seam on one seam. Get them young! The runner up was Lady Anne with her exceptional doublet.

Well done all!

Thank you to everyone for coming along and having fun including those who came to practice in garb and checked in to see what was going on. Thank you to the Baron and Baroness, Dede Kilic and Lady Francis for Judging. Also, deep thanks and gratefulness to Dede Kilic who helped set up and take down. And to all for the quick, thorough cleanup. Thank you to Lady Isolde for providing the event site.

A small raffle was run with the winners being, Olivia, a set of scissors. Olivia chose the Stork Scissors and donated the others to the College. The 3m of 100% linen was won by Aife. Can't wait for the next one in 2 years' time!

Event Steward.

Dame Edith Penrose.
