### Historic Armouries

Purveyors of munitions-grade armour and re-enactor supplies, Historic Armouries invite you to look through their web site:

<http://www.historicarmouries.com.au/>

New stock added regularly. "If you don't see what you're looking for, ask, and we'll endeavour to get it for you."

### Wanted

Any Old Armour ... (New is also acceptable)  
Do you have any unused armour lying around?

Know someone who has armour gathering dust? Or some leather or basket hilts you no longer need?

I'm looking for armour and other fighting equipment no longer being used to put together a few loaner suits so we can help our new and future fighters get into the action sooner, to enjoy the thrill of combat, the clash of arms, the braining of our mates and the exhilaration of inflicting pain upon others before they do it to us.

If you have anything lying around or can hassle someone into donating a piece or two, I'll be at Baronial training each Sunday (if maybe a little late) or I can be contacted on:

0405 570 885 or [centurion@iinet.net.au](mailto:centurion@iinet.net.au)

and we can arrange something

Thank you greatly for any assistance

Conan
