Answer to last months Quiz: 14c bronze key from the Burton hoard.

http://detecting.merseyblogs.co.uk/2006/02/the_burton_hoar_2.html.

Congratulations to Lord Jehan, winner of this months quiz.

August Quiz: What is the name of the person who made crossbows in medieval castles?

Please forward quiz entries to rosalinddeperegrine@yahoo.com.au with "quiz" in the subject line by Baronial Council. The first correct entry drawn will win a prize.

A Missive from Baron Kilic and Baroness Branwen

Unto the Populace of Aneala do Kilic and Branwen, Baron and Baroness send salutations and greetings.

We had a marvelous time at our investiture and thank all the good gentles for their enormous effort in preparation and running of this 3 day event. We respectfully thank Their Majesties King Gabriel and Queen Constanzia for making it a memorable weekend.

Since then we have attended the Wascally Wabbit tournament held by the incipient Canton of Aachenfeld and had a great time. Thank you to the Autocrat and her team. We are sure that whenever we attend a feast in Aachenfeld that there will be plentiful game on the table. Our next event was Championship weekend. Wow what a weekend! We had such a great time. The lists were well filled with many talented Armored combatants, Rapier fighters and Archers of great skill. We were gratified by the quality of challengers that entered the lists. For some it was their first challenge and all we can say if this is the upcoming calibre of fighters then the Barony is well served. It was an honour to see so many present themselves to serve the Barony.

Congratulations and hazzuhs therefore go to Champion of the Sword: Lord Conan Mor O Cuan, Champion of the Rapier: Lord Vale le Pantera, Champion of the Bow: Richard of Aachenfeld, Champion of Arts & Sciences: Lady Alicia the Pastry Chef, And all who put themselves forward as candidates. Thankyou very much. We look forward to working with you in our Courts.

We would like to also like to extend our thanks to Lord Columb and his Autocrating team and the many helpers who made this event. To the Marshal, List Keepers, Heralds and Ladies in Waiting who made this event so possible. Lady Alianore for her scones, Lord Lavelous (sp) for his musical interludes as well as those who took up the challenge to add tournament ambience to the list field through their amazing pavilion. Huzzah. In court we did recognise the hard work and dedication of our very talented Officers of the Anealean Council with a small scroll made by our Seneschal Mistress Catherine, we also admitted the previous Champions Master Nathan and Lord Edmund unto the Hearth Guard, denoted with Blue and White ribbons, Master Nathan was also made a Captain (extra yellow ribbon) for serving many times as a Champion.

The Bead Jar challenge was returned to Mistress Rhianwen so that she could organise the many talented crafters to make beads. And finally but not least we were able to give the Award of Arm Scrolls to Lord Bectold, Lady Cinara and Lady Isabel, the scrolls were long in coming.

We have also attended the Inaugural Incipient Shire of Dragon's Bay Championship. 5 worthy fighters entered the list field and one left as the Champion. Congratulations to Sir Peter D'gaunt. Also thanks to the Autocrat and his team for the warm welcome and entertaining day. The next events that we will be attending will be the Kelmscott Show followed by a 50th birthday celebration for the Baron (all welcome), the Group Discussion at Wand, All Hallows Ball, followed by the College Challenge and Toys for Tots.

At the Champions weekend we were pleased that our preference for Ladies to be escorted when called up in Court was well received. Please remember this is not a reflection that a lady cannot walk in our courts safely or that she is helpless but a courtesy and consideration out of respect and honour. Our Court style and dress will reflect what the various autocrats deem for an event but at other times we will portray Polish garb of the 16th century. The male attire was very Russian and the female was heavily influenced by the German courts. As some say we will be TiSCA ie Typical SCA. Finally. We would like recommendations. Whilst we are very observant, we still need to know about which people are deserving, whether on a local level or higher. We are here as your representatives to Their Majesties as we are Theirs to you. Not sure about how to recommend? Ask us.

Please feel free to come and talk with us, sit, phone, email, we are here to listen, although we may not be able to act on all of your information and advice we will give as much consideration as we can. Lastly, please bear in mind we may and probably (have) will make mistakes, some we may not be aware of. Please tell us.

In service to the Glorious and wondrous Barony of Aneala.
Baron Kilic and Baroness Branwen

Historic Armouries

Purveyors of munitions-grade armour and re-enactor supplies, Historic Armouries invite you to look through their web site:

<http://www.historicarmouries.com.au/>

New stock added regularly. "If you don't see what you're looking for, ask, and we'll endeavour to get it for you."

Wanted

Any Old Armour ... (New is also acceptable)
Do you have any unused armour lying around?

Know someone who has armour gathering dust? Or some leather or basket hilts you no longer need?

I'm looking for armour and other fighting equipment no longer being used to put together a few loaner suits so we can help our new and future fighters get into the action sooner, to enjoy the thrill of combat, the clash of arms, the braining of our mates and the exhilaration of inflicting pain upon others before they do it to us.

If you have anything lying around or can hassle someone into donating a piece or two, I'll be at Baronial training each Sunday (if maybe a little late) or I can be contacted on:

0405 570 885 or centurion@iinet.net.au

and we can arrange something

Thank you greatly for any assistance
