Unto the Populace of the Barony of Aneala, does Rílic and Branwen give greetings.

Having returned from the land of Romany we can report the King and Queen have made up and all is well in the Kingdom...except for some rumblings of war in the North.

Happy Birthday!

This month we have celebrated the 25th year as a Barony with an event weekend at Manjedal, with fighting, feasting, storytelling, A&S, archery and good friends.

While there we were able to Award those who have done service and A&S for the Barony.

Lord Pantera was admitted to the Order of the Golden Swans of Aneala, Lord Richard Farrowe and Lord Adrian were admitted to the Order of the Demi Sun and Lord Wesley finished his levels of Service, Martial arts and Arts and Sciences and was admitted to the Order of the Cygnets of Aneala as a Commander. We also admitted m'Lady Meg for A&S to the Cygnets as a Companion for her wonderful Illumination on no less that 3 scrolls that were given out. Huzzah! Congratulations for those achievements.

We were also honoured to give out 2 Award of Arms scrolls, one for Sir Andre which was long in coming and one for Lady Cara.

One of the highlights of the feast was that we had a Call of Precedence, (Thank you Baron Columb). This was mainly to acknowledge those who have given to the Barony and to highlight those who have been working hard but not yet been acknowledged. This means we were given an opportunity to see who we should recommend. Since then we have received some 5 recommendations and so we look forward to acknowledging those at future events.

We would like to further say thanks, with gratitude, to all those who helped and assisted Duenna Catalina for the event. To Mistress Rhianwen and her always stalwart kitchen crew, to Lady Petronella and Lady Ilara and Sir Nathan for their breakfast and other meal assistance. To the kitchen hands who just made things happen. To the Hall Steward Baron Lachlan and his assistants, every time we came in it was different.

To our Marshals, Heralds, List keepers, Constable, Ladies in Waiting, Champions and Guardsmen including The Queen's Guardsman Lord Hadrian and the Judges for the A&S competition and for the A&S classes. Seems we are thanking everyone who was there! Thank you for the College members who helped set up and take down and clean up of the site, you were always there doing.

Finally we would like to thank those who did give presentations to us and the Barony, House Bastion, the Shires of Dragon's Bay and Bosenburg, Thank you for your very generous gifts. Huzzah.

Upcoming events, we have the Premier Fighting event of the Baronesses Fighter Auction with the fighter's picking birds as their 'nom d'plume', sponsors are asked to bid for their favourite bird. This auction raises money for the Barony, money was spent in previous years on the list and constable tables and the tournament pavilion, we have other projects in mind like hall banners to decorate and improve the ambience of our feasts. If you have any ideas, please suggest them to us.

Following the BFA is the canton of Abertridwr's Pencampwr, a really full weekend of fighting, feasting, A&S classes and competitions, archery on and off the field. At this Pencampwr we have to deal with the Pirates and Brigands of Edmund One Eyed. this will be followed at the end of June with an IKAC and feast hosted by our incipient Canton of Vallon d'Or. This is a really worthwhile feast with great hospitality and generous members of Vallon d'Or. Later at the end of July we have Mid Winter 28th-29th where we will be renewing our vows, so keep that date free! Some interstate visitors have already booked!

Apart from these events we have practices and classes when not at an event. We have newer members who we need to support and inspire. And above all else we ask that you have safe fun.

Be well.

Yours in Service

Kilic and Branwen

Baron and Baroness of Aneala

ABERTRIDWR CASTLE OBSTACLE SHOOT

Date: May 6th
Venue: Wandí Community Oval, DeHaer Rd Wandí
Time: Setup from 12pm, shoot starts 1.30pm, close 5pm
Cost: Members \$5, Day Members \$7, U16 Half price, Under 6 free

Calling all Archers of the Realm,
Whether you are just beginning Archery or have been at it for years [and no matter your age] this day will see a challenge to test all the diverse skills an Archer may possess, so come and have fun shooting through, to, around and over a series of obstacles, targets and plague rats at varying distances.

The obstacles represent a castle and its surrounds under siege by a group of determined archers and range in distance from a long range clout [from goal post to goal post] to short range [5 yards] and yet each will require a different level of skill and/or luck.

And what of those plague rats you may wonder, well having recently cleaned out the Abertridwr storeroom, the Canton once again ousted a pack of pesky rats...

We summoned the Piper and the rats were lured from there hiding and brought forth onto the Village Green of the Pencampwr grounds and though now visible, they are scattered amongst the obstacles. Yet be wary of these rats as only some contain the deadly plague that we must destroy in order to protect Abertridwr and the surrounding lands.

You are permitted 6 arrows at each obstacle, for every arrow that hits you are awarded 1 point. On some obstacles you will find plague rats and these are worth 5 points but be aware some are not plagued and carry no points so choose with care between the obstacle target and the rats.

[Please note: those wishing to become Saethydd [archery champion], you will need a minimum of 2 plague rats]

There will also be an themed A&S competition: any item required by an Archer [ie quiver, armguard, bow, armor etc] must have accompanying documentation, works in progress accepted. Judging Forms will be available on the day.

Due to time constraints and lack of weekends left before Pencampwr this shoot will encompass all 3 pre shoots of the Saethydd competition and must be completed in order to take part.
