UNTO THE POPULACE OF THE BARONY OF ANEALA, DOES KILIC AND BRANWEN GIVE GREETINGS.

A great time was had by all at the Foundation Collegia early in July. Not only did those new to the SCA learn things but those of us who have been in some time also gained from the teachings. Duke Fabian arrived and taught a number of our fighters many good and interesting things some of which we saw at the 4 Man Melee a week later. Also in July was the 'Not as it Seems' Midwinter Feast at which a rollicking time was had by all. Our thanks to Lady Ilaria and her team for a very enjoyable and humorous feast that left many wanting to try it again. As mentioned earlier a 4 Man Team Melee was held at which everyone had a great time despite being light on with fighters due to many being away at either Pennsic or La Prova Dura. Congratulations to Lord Meyrick and his team for an excellent day of tourneying. There was an IKAC held in the Shire of Dragon's Bay which a number of our populace attended and by all accounts they had a wonderful time there. So we would like to thank the Shire for looking after our people so well.

We will soon be in August and already plans are well in hand for the Balin-gup Medieval Carnival on the 24th and 25th. We appear to have excellent numbers for this display and hopefully, as in past years, we can gain a good number of new recruits as well as having fun.

September is approaching quickly and at the end of that month it will be time for the Anealan Championship which this year will be down in our Canton of Vallon d'Or. So we are looking for those amongst our Armoured and Rapier Combatants as well as Archers to think hard on whether they wish to enter this most prestigious of Anealan events and vie for the chance to be a champion of Aneala.

Yours in Service to the Crown and to our Populace,

Kilic and Branwen
Baron and Baroness of Aneala

CHRONICLER'S MISSIVE

My warrant as Chronicler of Aneala is due to expire in November so I am looking for someone to take over this Office.

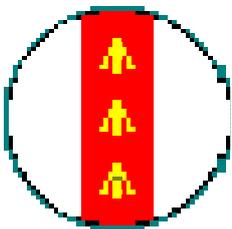

Your main duty is to create a monthly newsletter, upload it to the website and notify the populace. This should only take a few hours every month.

You need to be a SCA member and attend Baronial Council at least every quarter to Report on your office.

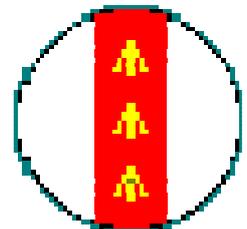

If you are interested please contact me.

Yours in Service,

Lady Bella Valori

CAPTAIN OF ARCHERS

Dear Gentles

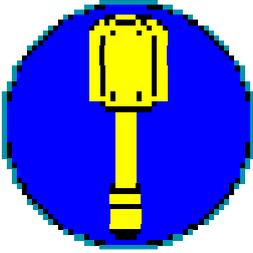

The office of Captain Of Archers for our fair Barony is open for applications. My two years in the position are about to expire and I am looking for a replacement.

The duties of the position are not too difficult, mainly encouraging archery in the Barony by organising training and the usual quarterly reports.

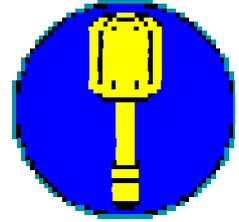

Please contact me by email (archer@aneala.locac.sca.org) or in person if you are interested.

Yours In Service

Maitiu

CONSTABLES MISSIVE

I will be stepping down as Constable of Aneala, and need to find a replacement to fill the office. If you're interested in holding a Baronial office I urge you to contact me and express your interest (please be aware you must be a financial member of the SCA!).

Your responsibilities as Constable include:

Overseeing/organising constables for events (making sure there's always an active constable for events)

Caretaking of the Constable's regalia and lost property found at events

Writing a quarterly report and attending Baronial Council to make regular updates on the state of the office

Keeping paperwork (indemnities, event paperwork etc)

Primarily your job is to make sure that all events are safe, that all the participants have signed their indemnities, and that any accidents or unsafe practices are properly responded to and reported correctly.

This need not be done personally - it is simply enough for you to make sure that there are constables available at events, and that anything reported to you is subsequently reported correctly to your up-line officer!

If you are at all interested, please express your interest to myself, Their Excellencies or the Anealan Seneschal. If you're not sure if it's for you, or not sure if you're up to the task, please don't be discouraged - I'm happy to field any questions you might have.

Lord William Montrose

Constable of Aneala

ALIENOR'S FABULOUS SAUCE

I entered the Lochac Midwinter Coronation A&S Competition and came second place in the category of 3 Period Sauces. I chose to do Sauce Saracene, Blue Summer Sauce and Perejil or a green sauce from Parsley. I have included the recipe for the Perejil as it was the most favoured of those of you who tasted it.

Perejil—Parsey Category 8. Sauces—Thickened, Vinigarettes,

Master Ruperto de Nola, Libro de Cozina (Book) / ed. Cuenca Vincent F. / trans. Cuenca Vincent F.. - 1529 (translation 2001). - A full English Translation with Commentary of Master Ruperto de Nola's Libro de Cozina.

156. Perejil Green Sauce From Parsley

You must take the parsley and remove the roots, and strip off the leaves very well and clean it; and grind those leaves a great deal in a mortar; and after it is well-ground, toast a crustless piece of bread, and soak it in white vinegar, and grind it with the parsley; and after it is well-ground, cast a little pepper into the mortar, and mix it well with the parsley and the bread. And then cast in honey, which should be melted, in the mortar, stirring constantly in one direction until the honey incorporates itself with the sauce in the mortar; and if the sauce should be very thick, thin it with a little watered vinegar, so that it should not be very sour; and having done that, take two smooth pebbles from the sea or river, and cast them in the fire; and when they shall be quite ruddy and red, cast them with some tongs in the mortar in such a manner that they are quenched there; and when all this is done, taste it for flavor. And make it in such a manner that it tastes a little of pepper, and a little sweet-sour, and of parsley; and if any of these things is lacking, temper [the dish] with it.

Ingredients

½ cup Parsley leaves

Toasted Bread (Spelt flour, chia seed & grains)

Verjuice

1/2 tsp Long Pepper ground

1/4 cup honey

Sea pebbles for heating in fire and casting into mortar

I followed the translated recipe instructions.

Picked the parsley leaves from the stems and washed them and then ground them in a mortar.

Placed the river pebbles in the coals of the fire and heated the honey in a small pot on the top but did not let the honey boil.

Toasted a slice of bread roll and then soaked it in a small dish of verjuice and then ground that with the parsley. Add

Added the hot honey to the mortar and stirred to combine and then took a river pebble from the coals and quenched it in the sauce.

Pour into bowl and serve. Served hot in company with roast meat and poultry. The Sauce also went darker the longer it sat, starting off a brighter green but though it looked unappetising to some, its taste was surprising. This darkening may also be due to slight caramelisation of honey when the adding of the hot pebble.
