# Baronial Missive

Greetings to the Populace,

We hope you are staying well and enjoying the cool change in the weather.

There were no SCA events here in Aneala for the month of May, however there was a significant SCA event held in Politarchoyopolis: Coronation! Lochac has a new Crown: King Radbot and Queen Katherine. Huzzah! Aneala was able to be part of the fun from afar, through the power of written correspondence and some helpful messengers. We hope that those who travelled to Coronation had a marvellous time.

On a personal note, we welcomed a new family member this month and will be bringing a baby to future events. In true SCA fashion, our baby received her SCA number before she was even a registered human!

We hope you remembered to book for Western Raids and we look forward to seeing you there, at least for a little visit.

Yours in Service,  
Baron Agostino and Baroness Elizabeth

Pottage of Onions That is Called Cebollada  
POTAJE DE CEBOLLAS QUE DICEN CEBOLLADA (cheese & onion sauce)

You will take onions, peeled and well-washed and cleaned and cut them in large pieces; and cast them in a pot of water that is boiling; and when they have boiled once or twice in the pot, remove them from the pot and squeeze them between two wooden chopping blocks; and then gently fry them with melted good fatty bacon or with bacon grease, moving them about with a spatula, and stirring them in the frying pan with said spatula which is of wood. And if the onions become at all dry, cast in good fatty mutton broth until the onions are well-cooked. And then take almonds which are well-peeled and blanched. And grind them well in a mortar, and then mix them with good mutton broth and strain them through a woolen cloth. And then cast the almond milk in the pot with the onions. And mix it well. And then cook them well until the onions are cooked with the almond milk. And cast into the pot some good cheese of Aragon, grated, and mix them well with a haravillo as if they were gourds. And when they are well-mixed with the cheese, and you see that it is cooked, prepare dishes, first casting into the pot a pair of egg yolks for each dish; and if you wish, cast sugar and cinnamon on the dishes, and it is good.

## **EGGPLANT IN CASSEROLE**

### *BERENJENAS EN CAZUELA*

Take eggplants and peel off the skin very well, and cut each one of them into three or four pieces and cook them in good mutton broth, with a pair of onions; and cook them until they are well-cooked; and being cooked, take them out of the pot and chop them very finely on a chopping block, and then cast on them good cheese of Aragon, grated, and some egg yolks. And resume chopping with your knife as if it were for stuffing for kid, (40) and cast fine spice upon it and put all these spices in the casserole, well-mixed: ginger, mace, nutmeg and green coriander and parsley; and then take the casserole to the oven; and when it is cooked, cast sugar and cinnamon on top.
