SEEKING NEW OFFICERS

CAPTAIN OF ARCHERS

Baronial Missive

Baroness Bella and Baron Donnchadh send enthusiastic greetings to Our beloved populace of Aneala, Dragons Bay and College of Saint Basil the Great.

We had a wonderful evening visiting Byzantium for our Midsummer Murder Mystery Feast. There was much intrigue and investigation across the night to find out who-dunnit! It was great to see so many of you embracing the theme and happily interrogating your fellow players.

We were delighted to sample so many tasty Roman morsels and pleased to present Mistress Slaine with a small spoon token to show her our appreciation for the time and effort that goes into catering a feast.

Our new Virtue Award recipients were:

Wolfgang Germanicus for the	*Virtue of Respect*
Cesare d'Orso for the	*Virtue of Support*
Natalia Webb for the	*Virtue of Truth*
Mistress Elizabeth Severn for the	*Virtue of Kindness*
Vabed Zaven Zeytuntsi for the	*Virtue of Wisdom*

The other awards we were pleased to bestow on the night were:

Black Feathers to Lilian and Reynold of Aneala for their enthusiasm and interest in a wide variety of SCA activities.
Valiant Swans to Wolfgang Germanicus for skill and service in fencing.

By popular choice:

The Dressed to Kill competition was won by Eochaid Finn mac Tuatha.
The Drama Queen competition was won by Lilian of Aneala.

Once again it was a pleasure to see so many of our populace helping to set up, pack up and do all the tasks required to create a successful event.
A huge thank you and congratulations to Lady Leoflaeda, Steward of the event, for her vision and efforts in creating such a fun Midsummer Feast!

THIS MEANS WAR!

Camping Weekend

Friday 1st May to Sunday 3rd May.

54 Hampstead Hills Dve, Gidgegannup WA.

As the long, dry summer draws to a close in the far-off Mountains of Myth, desperation presses hard upon the ferocious inhabitants of those parts. This will, inevitably, bring them down with hostile intent upon the eastern reaches of our magnificent Barony, and we all know what this means: WAR!!
Or, at least, a series of Skirmishes and a glorious Hunt (to clean out the smaller vermin).
It is even possible that our easternmost outposts may be overwhelmed, in which case we will need to stage a desperate rearguard action closer in, atop the Escarpment that so protects the heartland of the Barony!!

Thus courageous gentles are invited to load up their beasts of burden and journey out to Gidgegannup, where you can spend a delightful weekend ensuring our populace continue to sleep safe in their beds!
A fabulous opportunity to polish up your skills (not to mention equipment) before the inevitable raiding season truly gets underway...

This is conceived as a very relaxed hang-out type event, with scope for fighting people to fight as much as they wish, and others to hang out and sew, chat, etc. It is not overly structured or planned!

Timetable	Arrivals and setup from 4pm Friday (soup kitchen dinner). Various fun and exciting war and target archery scenarios all weekend (plus meals). Pack up Sunday afternoon, off site by 5pm.			
Price	Full event:	$50 adults	$25 5-17yo,	under 5 free
	Saturday only:	$20	$10	
	Sunday only:	$10	$5	
	Non-members add	$10 adults	$5 minors	

Please contact steward for self-catering prices. Steward: Leoflaeda AElfwynnes dohter

Archery:

The first round will be with a variation of 15th century Cavalryman target.
The target will be at 25 metres and will be 3 metres tall.
At the top of the target pole will be a small target representing a cavalryman's face and is worth 5 points.

In the middle will be a round target that represents the cavalryman's shield, and it is worth 3 points.

The bottom target represents the horse's body and is worth 1 point.

The second round will consist of 3 triangular Tibetan targets at 15 metres, 20 metres and 25 metres.
Each target is divided into 5 sections, each section narrows as it reaches the top.

The scoring will be as follows at each range (from widest to narrowest):
15 metres – 1,2,3,4,520 metres – 3,4,5,6,725 metres – 5,6,7,8,9

There will be 4 tables set up inside the tourney field.
The fighters will position themselves on opposite sides of a table and

If at anytime one of the fighters end up at the end of the table,
then the other fighter must move to another table,
and the fight will resume at the next table.
On the table will be various items that can be used as off-hand defensive weapons.
What these will be will be identified on the day.
The tourney will be a round robin of three bouts

Prizes:
The winner in each tournament category will receive a prize for their prowess and
the combined team that is the winner will receive a team prize.

Renaissance Italy used a variety of spices such as pepper, cinnamon, cloves, ginger. saffron and sugar. They symbolised wealth and were used in both sweet and savoury dishes, often with local herbs. Spices were not just for taste and status, they were also used in medicines, pomanders to ward off disease, and to mask odours.

Scappi's Cherry or Strawberry Pies (1570)

Transcription of original recipe

Per fare torta di cerase, visciole, & marasche fresche. Cap CXVIII, Libro Quinto, f. 365.
Bartolomeo Scappi, Opera dell'arte del cucinare. Presentazione di Giancarlo Roversi. Arnaldo Forni Editore. Testi Antichi di Gastronomia, ristampa 1981.
Le cerase Romanesche sono assai migliori dell'altre, e alla fine d'Aprile cominciano a essere buone, e le visciole a mezzo Maggio, & di Giugno le marasche. Pertanto piglinsi l'une, & l'altre, che non sieno troppo mature, & faccisino stufare con butiro fresco, & stufate che saranno passisino per il setaccio, giungendo con esse ricotta fresca, & cascio grasso, & un poco di cascio duro, & mostaccioli Napoletani fatti in polvere, giungendoli, pepe, cannella, & ova sbattute, & la quantità delle cose sarà secondo il giuditio, & essa compositione facciasene torta con is sfoglio sotto, & sopra, & facciasi cuocere al forno, o sotto il testo, facendoli la sua crostata di zuccaro, & acqua rosa, & servasi calda. In questo modo si puo fare delle fravle, lequali cominciano da Maggio, e durano per tutto Giugno, ma in Roma cominciano d'Aprile.

Translation of original recipe

To make a pie of cherries (red?), wild cherry, & sour cherries. Chapter 118, 5th book, folio 365, Scappi.

Cherries from Rome are better than the others, and at the end of April begin to be good, and wild cherries in mid May, and in June the sour cherries.
In fact take one or the other, those that are not too ripe, and let them stew with fresh butter.
Stew them enough that they will go through the sieve.
Add with this fresh ricotta and fat cheese and
a little hard cheese and Naples mostaccioli made into a powder.
Add pepper, cinnamon and beaten eggs and the amount of these shall be up to your judgement.
And of this mixture make the pie with a sheet below and above.
Cook it in the oven or underneath the "testo", making its icing with sugar and rosewater and serve hot.
In this way one can cook strawberries, which start in May and are in season for all of June, but in Rome they start in April.
